Message from the Headmaster, Michael Windsor

Thank you for your interest in Abingdon School. I am delighted that you are considering our school and I hope that you will want to apply for this post once you have found out a little more about us.

I urge you to spend time looking at our website, www.abingdon.org.uk, as this will tell you a lot about us and give you a taste of all that goes on here. The Abingdon Foundation is a community of some 1260 boys, currently 1001 at Abingdon School and 259 at Abingdon Preparatory School. Boarding houses are full with 137 boarders and the sixth form has around 330 boys. We employ some 340 teachers and support staff across the Foundation. The Board of Governors oversee the whole Foundation.

Academic standards and outcomes are very high. Results are published on our website, but last year boys achieved 86% A*/A grades at GCSE and 83% A*/B at A Level. Most proceed to Russell Group universities with a significant proportion to Oxbridge. Boys go on to study a wide range of subjects reflecting the breadth of the curriculum that Abingdon provides.

Admission is by selection and the school is over-subscribed. Abingdon is a popular choice for aspirational families. Many are attracted by our academic standards, certainly, but also the huge and dynamic 'Other Half' (extra-curricular) programme we offer. All colleagues participate in the programme and the school places considerable importance on the many benefits of the Other Half and its role in developing the whole person.

Pastoral care is strong. Each boy from the Third Year to the Sixth Form belongs to one of nine houses under the care of his Housemaster. He will be mixing with other boys from all year groups. He will also belong to a tutor group and his tutor will be a key person in his life. The lower school boys are in their own House where they are carefully nurtured and looked after during their important transition to secondary school. We believe that by offering these structures we are able to provide comprehensive academic and pastoral support. Boarding is an exciting option from the age of 13 and boarders live in one of our three houses. Many come from abroad and the international dimension greatly enriches our community.

The School occupies a large and beautiful campus. Facilities are excellent, and we are now looking at future development with keen anticipation. We opened our new 21 laboratory science centre in autumn 2015 which has transformed our science facilities and created the space for new facilities for Geography, History and Classics. Since September 2014 we have been managing and developing the Tilsley Park Sports Centre and this offers an exciting complement to our existing, excellent sports facilities. In 2018 we are very much looking forward to opening our new Sixth Form Centre, library and art facilities. The whole school benefits from a continuous refurbishment and redevelopment plan.

The typical Abingdon boy is engaging, motivated and confident. This is a cohesive community; respect for one another is a strong feature and values such as courtesy and consideration for others are paramount. Colleagues enjoy teaching here and the boys appreciate the calibre of their teachers. It is a very happy school.

We operate a fortnightly timetable. Lessons are 55 minutes long with an extended lunchtime, there are many opportunities for Other Half time and time for academic mentoring, etc. The school day runs from 8.35 am to 5.20 pm, with the end of the day from 3.40 pm devoted to Other Half activities along with Wednesday afternoons. The commitment to supporting our extensive Saturday afternoon sports programme continues. All teaching staff are expected to contribute fully to the Other Half programme throughout the week and many will be involved on Saturday. When not involved in a regular team sport, teaching staff will still need to be available from time to time on Saturday for duty, Open Days, Taster Mornings, etc.

We may be over 760 years old but we are a forward-looking, dynamic school. There is quiet pride amongst those who attend and those who work here. Although one of the leading independent schools in the UK, we are not complacent and we are continually looking to improve. Part of this drive is to recruit high calibre professionals, who love teaching, and who want to join our strong staff and work with our wonderful pupils. We welcome therefore ambitious and energetic applicants who are keen to develop their career further.

I do hope that you might be tempted to apply. I recognise that much time and thought goes into preparing an application and we, in turn, will give your application serious consideration.

TEACHING AT ABINGDON

The following outlines what might be seen as the 'normal' expectations of a member of the teaching staff at Abingdon as well as listing some of the benefits available as a member of the Common Room. Job specifications for those holding posts of specific responsibility are held separately.

Routines and Responsibilities

Further and more detailed guidance is given in the Staff Handbook but the following may be taken as standard elements of a teacher's role at Abingdon:

- Teaching a subject or subjects as agreed at appointment throughout the range at the school (i.e. from Year 7 to Year 13). A normal teaching load would usually approximate to around 70-75% of the academic timetable, leaving time free for marking and preparation. Reductions in teaching load are given to some posts that carry an additional administrative responsibility (e.g. Head of Department, Housemaster) but should not necessarily be seen as being automatic. Many teachers also contribute to the General Studies programme at 6th form level, either by offering an option course, an additional GCSE (such as PE or Italian) or participating in the delivery of the compulsory core of topics that we offer. Some teachers also contribute to the PSHE programme in years 9 and 10 which is delivered within the timetabled curriculum.
- Contributing as appropriate to departmental activities and developments, such as trips, additional classes, lectures and other events that contribute to the life of a busy and dynamic department.
- Commitment to the regular setting and marking of homework and the maintenance of an up-to-date mark book. Contributing to exam marking as required by the Head of Department, including the marking and supervision, as appropriate, of Abingdon's entrance exams. Writing formal reports on pupils and tutees five times a year.
- Acting as a tutor to a group of boys within a House, as directed by the Deputy Head (Pastoral), with primary responsibility for their pastoral care and for some of the delivery of the school's PSHE programme.
- Contributing, as agreed with the Second Master and Master i/c Other Half, to the School's Other Half programme.
- Being available to work on days that fall outside the Monday to Friday daytime academic pattern, to support the provision of activity for the boys, including on Saturdays. Examples include accompanying boys on trips out of school, supervising boys on sporting activities (with refereeing or coaching provided by a separate specialist), and welcoming visitors and prospective pupils on Open Days and Entrance Exam Days.
- Contributing to cover for absent colleagues and invigilation of internal and external examinations, as directed by the Master i/c cover.
- Contributing to Private Study supervision of Sixth Formers, as required by the Upper Master.
- Acting as part of the duty team to oversee elements of the daily supervision of the boys outside of the classroom, both on weekdays and on Saturdays, as directed by the Deputy Head (Pastoral).
- Staff members who are attached to one of the School's Boarding Houses have additional duties in the evenings and at weekends.

BENEFITS OF WORKING AT ABINGDON

- Abingdon has its own 15-point salary scale, above the national scale. In 2017/2018 the basic salary range is £27,397 to £55,435. In addition to this, the School allocates Special Responsibility Allowances for a number of additional responsibilities, ranging from the running of a minor sport up to major responsibilities, such as Heading a Department or House. In 2017/18, the maximum salary available to a non-SLT member of the Common Room is £62,045.
- All new staff are well supported when they arrive, with help and advice available not just from Heads of Department, Housemasters and Senior Staff but also from the School's Professional Tutor who has a specific responsibility to oversee the induction process.
- The School offers excellent administrative support, with two dedicated Common Room secretaries, and a range of other Bursarial services. Staff are loaned a school laptop or they have access to desktop computers to assist with their teaching and administration. All teaching staff are also issued with an iPad. There is a biennial cycle of professional development meetings based on a portfolio of evidence collected in the intervening time as well as myriad opportunities to reflect on professional practice and to seize on development opportunities.
- The School is committed to high quality ICT facilities and now has four bookable IT suites, Interactive White Boards in a large number of classrooms, data projectors in all rooms and a dedicated Director of e-Learning who is available to support and develop the provision of ICT across the whole curriculum. Two recent large-scale innovations in this area have been creating a Year 8 iPad scheme and introducing a new VLE (Firefly).
- The School commits to a generous INSET budget every year, controlled by the Deputy Head (Pastoral), and encourages all members of the Common Room to subscribe to external CPD courses and further qualifications. In addition to this, the School operates up to five INSET days itself, offering a range of further training, from highly practical First Aid qualifications to seminars on aspects of Teaching and Learning.
- The school is very stable, currently enjoying high demand for places and is backed by strong financial planning that enables all departments to be very well resourced. In recent years we have been investing heavily in a building programme to develop our facilities. Major projects have included a new Sports Centre (2008) and a new Science Centre (2015). Moving Science to a new building enabled us to refurbish the vacated space and in September 2016 we opened substantially upgraded spaces for our Geography, History and Classics departments as well as for two day huserooms. Our current project involves a completely new build (Beech Court) comprising a new sixth form centre, a new Library and a relocated Art Department. This will open in September 2018. Following this, we will be relocating the Common Room and completing the substantial reorganisation of our campus which will have provided all departments with greatly enhanced facilities by 2020.

Additional Benefits

- Relocation allowance up to £2,500, by agreement with the Director of Finance & Operations.
- 50% discount on school fees at Abingdon Prep and Senior Schools for sons who satisfy Abingdon's admissions criteria (pro rata for part-time staff).
- Private health insurance (taxable as a benefit in kind).
- Access to the childcare voucher scheme.
- Membership of the Abingdon Sports and Leisure Club for the staff member with free access to the gym and swimming pool at agreed times.
- Lunch and other refreshments during the school day.

Accommodation

The school has limited accommodation available, but will always endeavour to help where it can. Members of staff who are attached to boarding houses and undertake supervisory duties in evenings and weekends, but live in school accommodation on- or off-site, usually live rent-free and are not subject to tax on this benefit in kind. Members of staff who live within boarding houses as residential boarding staff usually live rent-free and in addition do not pay council tax or for utilities. Sometimes the School has empty property which may be let to new staff on a short term tenancy basis with some additional light school duties expected. Staff pay full market rent, council tax and utility charge.

TEACHER OF ECONOMICS AND BUSINESS

Economics and Business Department

There are five members of the department who teach solely at A Level. Pupil numbers have expanded considerably in recent years and there are currently over 100 students studying Economics across 10 sets and 25 students studying Business across 3 sets. The Economics numbers will grow further next year as from September 2018 all girls from The School of St Helen and St Katharine studying Economics will be taught at Abingdon. The pupils are academically very able and articulate and enjoy high levels of engagement in the subjects. The department follows the Edexcel specification in both subjects.

In recent years the department has enjoyed considerable success in public examinations. In 2017 the A Level results for the department were 75% A*-A in Economics and 80% A*-A in Business. A large percentage of the A Level cohort usually choose to continue with Economics and other Business related-subjects whilst at university.

The department has three classrooms (four from September) and a departmental office in Mercers' Court (built in 1994). It is currently planned that the department will move to a brand new, purpose built teaching block in September 2020. All classrooms are equipped with data projectors and are adjacent to one of the school's ICT suites. Departmental resources are excellent. They include a shared subject drive which all members of the department contribute to and which houses a huge wealth of material. Many resources are also available on Firefly, the school's Virtual Learning Environment.

A number of subject-related activities run outside the classroom to act as a complement to the formal curriculum. These have included entering previously competitions such as ifs Student Investor, the Bank of England's Target 2.0 Challenge, the RES Essay Competition, Corpus Christie Essay Competition and the ICAEW BASE competition. We have also set up a student-led Economics magazine called 'Griffenomics'. In addition to this, each academic year a number of lectures are organised for the school's Economics Society. Recent speakers have included Professor David Miles of the Monetary Policy Committee, Professor Colin Mayer of Saïd Business School, Adrian Kendry, Senior Defence Economist at NATO (2001 – 2013), Paul Ormerod and John Nugee.

Recently, Abingdonians have had the following successes:

- 2016 – National Finalists in the ifs Student Investor Challenge
- 2016 – National Finalists in the ICAEW BASE Competition
- 2014 – Regional Runners-up in the ICAEW BASE Competition
- 2013 – National Finalists in the ICAEW BASE Competition
- 2013 – World Finalists in the PolyU Global Student Challenge
- 2012 – 1st Prize in the Institute of Economic Affairs' National Essay competition

The department runs a large range of educational visits each academic year. These include industry visits per year to businesses such as Coca Cola, Jaguar Cars, BMW Cowley, The Bank of England and the London Metal Exchange. The department has also run foreign trips, with the most recent being Brussels (2016) Frankfurt (2015), Prague (2014), New York (2013), Paris (2012) and Barcelona (2011). Regular trips are also organised to IEA Sixth Form Conferences (we have also hosted one in recent years) and to other events such as Eton College's Keynes Society and EntrepreneurLIVE! The department runs a programme of extension classes for students wishing to explore areas beyond the confines of the A Level specification. These sessions also include preparation for those aspiring to Oxbridge.

The Young Enterprise scheme is a very popular activity within school. This is run exclusively for the fourth year (Year 10) at Abingdon and there are currently over 50 students taking part, organised into four teams. Abingdon's Young Enterprise teams have had huge success in this programme over the past three years, with a number of awards won at regional and county level.
