Dear Candidate

Teacher of Computing and Business Studies

Thank you for showing an interest in this post. The vacancy has arisen due to the growth of both subjects at both schools within the Robert Carre Trust (Carre's Grammar School and Kesteven and Sleaford High School). Part time candidates would be considered.

Carre's Grammar School has 800 students on roll; boys only 11-16, and co-educational in the Sixth Form. The school has long been synonymous with excellence and the school's reputation for providing a first rate all-round education for local students has been strengthened even further over recent years. Our academic results speak for themselves while our achievements in Sport, Music and other activities are outstanding. We have been recognised as a Good school with Outstanding features under the new Ofsted regime and were delighted with this outcome, which recognised the strengths of the school and supported our own perceived areas for improvement.

We have been recognised as one of the top schools in the country based on our performance in the last few academic years, and students have regularly accepted offers for Oxbridge and the top Universities. The friendly, cheerful atmosphere of the school helps our students enjoy learning and, as they grow into young men and women, we enable them to take increasing responsibility for themselves and for others around them.

To the right candidate, this post will be an extremely rewarding experience, an opportunity to really make a difference. I hope that having read the information and looked at the information on the website, you will decide that Carre's is the right school for you and that you will make an application. To do so, please submit the application form and a letter of no more than 2 sides of A4 in which you should cover:

- Your experience of teaching to date
- Why this particular post would suit you
- Relevant interests that would enrich Carre's

Completed applications should be in school no later than midday on Monday 19 February 2018.

If you would like further information about the post or an informal discussion, please contact Mr Keith Jones (Assistant Headteacher).

You are warmly invited to visit our school. Please call Julie Body (Head's PA) to book a visit.

Yours faithfully

N M Law
