## **Girls' Learning Trust (GLT)**

### **Message from Jane Burton, CEO**

I am delighted that you are interested in a position in one of the GLT schools.

The Trust was formed in September 2015 and initially consisted of two schools: Nonsuch High School for Girls and Wallington High School for Girls. In April 2018, Carshalton High School for Girls joined and further strengthened our Trust. All three schools are located within the London Borough of Sutton and are within easy reach of each other.

The aims of the Girls' Learning Trust are to deliver a first class education for girls ensuring that they realise their full potential and leave the Trust well prepared for their future. With around 4000 students and a highly effective operating model, GLT gives member schools the financial strength to drive school improvement and provides increased opportunities for students and staff across the trust. We aim to be a 5 school Trust by the end of 2020, retaining the all-girls identity and operating within the London and South East region.

The aims of GLT are achieved through:

- Delivering excellent standards of teaching and learning consistently across the Trust based on the setting of high expectations for all and an evaluative approach to improving performance that secures strong outcomes for all our students.
- Developing strong collaboration across the Trust ensuring each school is a giver and receiver of support where needed.
- Ensuring effective professional development and career progression opportunities across the Trust in order to recruit and retain excellent staff.
- Delivering effective pastoral provision to all our students ensuring they are supported, developed and well cared for during their time in the Trust.
- Developing a strong understanding of how best girls learn, develop and thrive and using this to underpin our approach to education across the Trust.
- Promoting and developing high aspirations for our young women allowing them to become the successful female leaders of the future.
- Creating an exciting, challenging and creative curriculum across the Trust, both inside and outside of the classroom, to allow all students to realise their full potential.
- Securing a financially viable Trust through strategic financial management and by working collaboratively to secure financial efficiencies.
- Communicating effectively with and valuing all of our stakeholders realising the important role they play in the Trust.

For more information on the Trust please follow the link below:

[www.nonsuchschool.org/321/welcome-from-the-ceo](http://www.nonsuchschool.org/321/welcome-from-the-ceo)

The Trust model brings many advantages to staff at all levels in the schools. Free from some of the strategic, financial and operational responsibilities of a standalone role, the primary focus of the school Headteacher role within the GLT structure is to provide highly effective leadership and support of the teaching and learning within their school alongside day to day management. The school Headteacher is accountable for securing strong student outcomes and the delivery of an excellent standard of education for all students in their school. Each Headteacher reports to, and is supported by me in my role as CEO.

Staff are able to benefit from many different opportunities for development across the Trust. These include the opportunity to participate in the cross-trust Outstanding Teacher Programme (OTP) learning with and from colleagues in all the schools, an annual GLT conference that brings all staff in the Trust together and the chance to participate in trust training and development across a number of areas. In addition, when you are at the stage when you want to consider moving to the next level in your career, a larger Trust brings more opportunities than a standalone school may do.

Although the Trust plays an important role in each school, the GLT model ensures and values the fact that each school retains its own unique identity within the Trust which can be seen when visiting each school or looking at the website.

Joining a GLT school at any stage in your career is a way to combine the benefits of working for a larger Trust with the ability to feel part of a successful and vibrant school. I hope that after reading this information pack you decide to submit an application.

## Information about Nonsuch High School for Girls

### **Our school**

Nonsuch is a highly successful and selective grammar school for girls aged between 11 and 18 years. Opened in May 1938 and standing in 22 acres of beautiful grounds on the edge of Nonsuch Park, we aim to provide a caring, happy and stimulating environment in which students can attain the highest levels of academic and personal achievement. Teachers and support staff joining Nonsuch comment on the excellent behaviour and positive attitude to learning of our students and on the warm and co-operative relationships between staff.

Attainment and achievement at Nonsuch are excellent. The summer 2017 GCSE results of 55.9% A\* and 85.1% A\*/A and a validated progress 8 measure of 1.13, place Nonsuch in the top 2% of state schools nationally. At A level the school achieved 19.4% A\* and 56.5% A\*-A grades - again placing the school amongst the highest performing schools nationally. Eleven students gained places at Oxbridge and 17 undertook Medicine, Dentistry and Veterinary Studies.

### **Culture and development opportunities**

The culture of the school underpins every consideration. It is one of high expectations of students and of ourselves; positivity in our dealings with each other at school and in the wider community; and confidence in our professionalism so that we can engage in genuine dialogue and collaborate in the knowledge that we have much to give and receive.

This culture is reflected in our programme of continuing professional development (CPD). We run the "Outstanding Teachers' Programme" across the Trust with our own trained and badged facilitators so that the programme can run sustainably, providing professional development opportunities for future cohorts. We have elective CPD groups looking at assessment and the A Level mindset. We run an annual cross Trust conference also as well as conferences for current and aspiring middle leaders as well as a comprehensive induction programme for new staff and NQTs.

We provide placements for Initial Teacher Training (ITT) trainees every year, working with the Sutton SCITT and Teaching School Alliance. In addition 2 of our MFL colleagues train MFL teachers from the SCITT a day a week. Newly Qualified Teachers are supported by a full induction programme and all teachers joining the school are supported in the transition.

### **Curriculum**

On entry, all students follow an academic programme including a Modern Foreign Language (German, French or Spanish) and Latin. The range of subjects taken for GCSE is broadened by the opportunity to continue with a second language or start an additional language (classical Greek). Most students study the three separate sciences and have the opportunity to take up Astronomy or Photography or to choose an appropriate Technology course. Initially, students are taught in forms, with smaller groups for practical subjects. Later, setting supports the progress of individual students.

The vast majority of students continue their studies in the large Sixth Form, for which external candidates may apply. Courses may be chosen from 26 subjects. In addition, students take options from the elective menu: most Year 12 students take the Extended Project Qualification and some students opt for classes in dissection, Arts award or Junior sports Leader award accreditation among other options. Candidates are prepared for Oxbridge entry or for admissions tests, for example BMAT (for Medicine) and LNAT (for Law), as appropriate. The vast majority of students proceed to higher education or professional training.

A comprehensive tutorial programme (including citizenship, careers and health education) supports the curriculum for all students, who are encouraged to assume responsibility for their studies through regular homework and negotiated target setting. Opportunities for active citizenship abound: students in each year group take part in community outreach and fundraising for local, national and global charities. They assume leadership roles within school also representing their peers on the School Council and all Sixth form students belong to the Sixth Form Committee which holds regular Forum meetings. Sixth form students make an invaluable contribution to the community life of the School, serving as school officials and prefects, leading the house system and supporting younger students as mentors.

Artistic, dramatic, musical and sporting talents are fostered. Many students have instrumental lessons; choirs and orchestras flourish, together with many clubs and societies. All opportunities are taken for visits in this country and abroad to widen further the educational experience. Recently there have been visits to Iceland, America and China. Membership of a range of sports teams is encouraged and many Nonsuch students play sports at County and National level.

The School's commitment to excellence in girls' education is reflected in the breadth of the curriculum, the outstanding examination results and the number of extra-curricular activities on offer. Most importantly, of course, the School's success is visible in the confidence and enjoyment of girls who leave us to continue their studies and to carve their niche in 21<sup>st</sup> century society.

### **Resources and site**

The School is fortunate in having exceptional and well-resourced accommodation for all subject areas. We have 11 fully resourced Science labs, 4 ICT rooms and an Astronomy Dome on the roof which is also used by astronomers in the local community. Our offer of 3 modern languages as well as Latin and Greek is supported by a bespoke language lab and GCSE and A level language students benefit from weekly meetings with Foreign Language Assistants. The recently opened Sixth Form Common Room and Learning Resource Centre further enhance the facilities available to students.

A skilled team of administrative and finance staff, curriculum assistants, cover supervisors and technicians work closely with the teaching staff. First aiders and a librarian are employed. An excellent cafeteria is used by most students and many staff at mid-morning and lunchbreak. There is a private day care Nursery on the School site which is used by some staff. The school is adjacent to a David Lloyd Sports and Leisure Centre which staff are able to use free of charge during off peak hours in term time.

### **The Leadership Team**

The leadership team consists of a Headteacher, four Assistant Heads and four Directors of School Improvement who work closely and supportively to plan for the future development of our highly successful school. Collaborative and open working practices ensure coherence and clarity in the leadership and management of the School. The Local Governing Body is a strong and supportive team with considerable professional expertise. In addition, the CEO of the Girls' Learning Trust (GLT) and the Trust Board provide support and challenge to the school.

## English Department

The English department at Nonsuch is an innovative, enthusiastic and forward-thinking team. We encourage our students to approach English lessons with a curious and questioning mind, to consider how authors craft their texts to convey meaning to the reader, as well as encouraging students to write accurately and creatively.

In the English department we currently teach the AQA English Literature (8702) and the English Language (8700) syllabus at GCSE. For Literature we teach a range of Shakespeare texts, modern prose and drama and the Power and Conflict AQA poetry anthology. For Language we teach the skills of narrative and descriptive writing as well as the ability to analyse unseen non-fiction. At A Level we teach the AQA Specification A English Literature Option B syllabus, and the OCR (EMC) Language and Literature course.

The Department is housed in a suite of six classrooms with a Departmental office, stock room and book cupboard. The Department is well-resourced with a variety of texts and audio-visual equipment, and teachers may book the Library or the school's IT rooms for class work. Four classrooms have interactive whiteboards, whilst the remaining two both have ceiling mounted projectors and speakers.

At Key Stage 3, students have six (one hour) lessons every fortnight and are taught in mixed ability form groups. At KS4 there is some element of setting and students have 7 (one hour) lessons per fortnight, although Year 10 students will have 8 from September 2018. At Key Stage 5 students receive 8 hours per fortnight (10 from September 2018) and are taught by two teachers. Every year a considerable number of students take English as their chosen degree course. The department has also successfully assisted candidates in their applications to Oxbridge colleges.

Extra-curricular activities form an important part of the Department's work. Curriculum opportunities include theatre visits, Debating Society, Key Stage 3 and 6th Form Book Groups, an annual Book Week and the production of the School Magazine. In addition we regularly invite authors to visit with our highlights including Simon Armitage, Frieda Hughes and Michael Frayn.

The department has developed an extensive resource bank with the majority of resources being held digitally. All members of staff routinely use ICT applications in their teaching and contribute new resources to the departmental curriculum area.

The department is currently staffed by 6 full-time English teachers and 2 part timers.
