Principal Mark Malcolm

Dear Applicant,

Thank you for expressing an interest in the post of Teacher of Boys Physical Education at The City Academy. We are achieving exceptional results to match our status as an outstanding school. 77% of our students achieved five A*-C (9 – 4) grades with English and mathematics, and 58% achieved the English Baccalaureate. This has been achieved in an academy with levels of attainment below the national average on entry, and over 60% are entitled to pupil premium. We have also just received our second set of A Level results, with 79% of exams awarded A* - C grades, and all students securing either a university place or high quality apprenticeship.

This is an exceptional school with high expectations, tight discipline and an exciting curriculum. It is a place where teachers gain experience in a high achieving environment which enables them to quickly develop their practice and progress in their career. I can promise you that this will be one of the most rewarding places to work and that aside from the intrinsic challenges and rewards this post offers, there are many other benefits for staff who work for us. We are committed to creating a professional and supportive workplace for our staff.

We want you to look forward to each day at the academy. We expect hard work, skill and dedication to our ethos, and in return we will provide an excellent working environment, competitive rates of pay and an excellent benefits package. We will also provide outstanding experiences and training opportunities, and simply having worked in our school at some time in your career will enhance your curriculum vitae.

If you feel that you can make a positive contribution to our academy, please apply online via our website, www.thecityacademy.org. I look forward to reading your application.

Should you have any queries, please do not hesitate to contact me.

Yours faithfully,

Mark Malcolm
Principal

The City Academy, Hackney

Teacher of Boys Physical Education (Inner London Pay Spine, plus performance related bonuses and other benefits)

If you want to be the best, then you should probably join us

Students in our academy made more progress than in any other school in Hackney and made the best progress of any co-educational school in the country in 2014. In 2015 and 2016 students made exceptional progress with a Progress 8 score above 1.00, one of only seven schools in the country to achieve this. That is great news for our students, the academy and our community, but there is so much more that we know can be achieved and you can help.

We have a relentless ambition to deliver continuing success to the young people we serve. Our approach is based on very simple principles: clear systems and extremely high expectations. We focus on the development of our students, their values and ultimately their academic success. We maximise the impact of teaching by providing clear leadership, minimising bureaucracy and effective support that have tangible results on the quality of teaching and outcomes for our students.

The Role

This exciting and challenging post requires an enthusiastic, hardworking, conscientious and energetic individual, teaching PE up to and including A level.

As a teacher at the academy, you can be part of a team which enforces high standards of behaviour and pushes students to achieve their very best.

This is a fantastic opportunity for you to shape the lives of young people in Hackney. If you think you can help transform the opportunities for the community we serve then we would like to hear from you.

The City Academy, Hackney is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. An enhanced DBS check is required for all successful applicants.

The position is to start in January/Easter 2018.

For details about the role and how to apply please visit www.thecityacademy.org.

The closing date for applications is 9am on Monday 20th November.
