The journey of the Federation began in 2000 when St John and St James opened as a Fresh Start School. Since then we have worked with many schools and teachers in Hackney and beyond and have grown into a Federation of eight schools of which Holy Trinity is one. Holy Trinity is one of the three designated teaching schools within the federations that makes up Primary Advantage National Teaching School (P.A.N.T.S.).

Our schools gain significant benefits from working collaboratively and can achieve more by working together. We have made a commitment to a shared responsibility to the wider education community, the provision of a high quality education and the improvement of life chances for pupils in the community beyond that of our own school.

Our Mission

Holy Trinity provides a safe and happy learning environment where children and adults are valued, nurtured and empowered. We believe that everyone in the school community is responsible for instilling in our children the values what will prepare them in every way to become confident and responsible members of society.

Our approach is led by the Christian principal "do to others as you would have them do to you" and we aim to establish a clear understanding of the rights and responsibilities for all. We believe a good education is the foundation on which our children's futures are built and equips them for their life ahead.

We aim to develop the whole child through a diverse and culture rich curriculum. We are committed to providing educational excellence and helping children to develop enquiring minds, the motivation to learn and the ability to work both independently and collaboratively.
