From the Principal

Dear Candidate,

Thank you for your interest in the post of ICT & Business Teacher. This is an exciting that has arisen for a welcoming and hard working individual to join our dedicated ICT and Business team in a fast paced environment.

This is a truly exciting opportunity for an existing or aspiring ICT and Business Teacher, with possibility of 2ic responsibility.

To succeed in this role you will need to be able to plan and deliver stimulating and challenging lessons whilst setting appropriate and challenging work for all abilities. We are looking for someone who is committed working with colleagues across our Federation and who is committed and ambitious for their own professional development.

Knights Academy is a vibrant, diverse school community with a relentless focus on high expectations and aspirations. The academy opened in 2005 and, with the addition of a primary phase in 2010, subsumed two very low-attaining local authority controlled schools to become a large all through 3-18 Academy. We serve the families of the local community in the London Borough of Lewisham and since 2005 we have been on a trajectory of rapid improvement. We strive for excellence in all that we do, whether that is standards of academic attainment, presentation, or behavior.

The Federation currently comprises three all-through schools and one free primary school, which totals over 5,000 students and 600 staff. The scale of expertise and leadership across our Federation gives us enormous capacity. It is this capacity that has resulted in the success of the Federation, and it is this capacity that allows us to mount new ventures and allows our staff to take on new opportunities and rapid development trajectories.

Our school and our Federation is a uniquely exciting place to be and I hope that you decide to join us in our current phase of rapid development and growth.

Dr Tesca Bennett
Principal
Haberdashers' Aske's Knights Academy

From the Chief Executive

A message from the Chief Executive

A very warm welcome to Haberdashers' Aske's Federation. We are a Multi-Academy Trust of three secondary schools and five primary schools organised as three all-through 3-18 academies and a primary free school:

Haberdashers' Aske's Crayford Academy

Haberdashers' Aske's Knights Academy

Haberdashers' Aske's Hatcham College

Hatcham Temple Grove Free School

Our schools are in the London Boroughs of Lewisham and Bexley and educate over 5,000 children and young people in south-east London. All our schools have a single vision and ethos and are committed to valuing tradition, as well as progress, and promoting excellence in every area of school life, and to ensuring every student in our care fulfils their potential. We have a strong ethos based on mutual respect and responsible behaviour.

Our Principal Sponsors, the Worshipful Company of Haberdashers, take a keen interest in the welfare and progress of our students and are extremely generous with their support and expertise.

Being part of a Multi Academy Trust

Our Federation brings together primary and secondary schools in an innovative and ambitious way. United by a single Trust Board, Chief Executive, Finance Director and Director of Performance, our three all-through school clusters are autonomous schools with their own Principals and senior leadership teams.

At the same time, links develop at every level and in every area of school life. There are excellent opportunities for sharing resources, learning from each other and student and teacher exchange. The Federation is at the cutting edge of national educational initiatives, committed to research and development and to adopting creative solutions that will benefit all students. All our students are inspired to reach their full potential, no matter their ability or background; aspirations and achievements are constantly raised; the improvement of standards reflects the needs of the local and wider communities, through the highest quality academic, personal and vocational teaching and guidance. We build on the strengths and experiences of our schools so that our students become independent learners, fully equipped for the opportunities, challenges and responsibilities of adult life in the 21st century and well prepared to be the leaders, professionals and parents of tomorrow.
