## Candidate brief

---

# Director of Cricket (from September or October 2018)

# Life at Haileybury

Haileybury is an outstanding British independent co-educational boarding school. We offer modern boarding and day provision for eight hundred boys and girls aged 11–18. Established in 1862, we are situated on a glorious, historic 500-acre campus in Hertfordshire, just 20 miles north of London and 35 miles south of Cambridge.

Ours is a happy, purposeful and tight-knit community where more than 90% of the teaching staff live in College accommodation, either on campus or within walking distance of our beautiful site. This helps create a unique atmosphere in which to work.

We focus on creating a warm, nurturing environment which is particularly evident in the Lower School, a “school within a school” for Years 7 and 8, which includes its own Boarding House, Highfield. Boarders and day pupils join one of 12 houses when they enter the main school (Years 9 to 13). This creates strong “family” groups of about 55 pupils per House.

An appreciation of the wider life of a seven-day-a-week boarding school is a prerequisite for a successful career at Haileybury, along with a willingness to immerse oneself in the boarding and co-curricular programme. The three aspects to every full-time teaching role are: teaching, tutoring in a Boarding House and involvement in co-curricular activities. Teaching staff are also expected to attend Chapel services.

- The College provides a welcoming, vibrant community whether you are a young, single NQT or more established professional with or without a family, you will find your niche.
- The College puts great emphasis on excellent CPD and career development opportunities with regular internal training, and opportunities to pursue further training outside of the College.
- There is also the opportunity for great music making for musicians of all abilities and opportunities to be included in concerts
- There is a vibrant sporting community with opportunities to join staff sports teams and use our world class facilities
- The vast majority of members of the teaching staff live on site and thus avoid commuting.
- Members of the teaching staff are part of a wider Haileybury family which comprises our sister schools in Kazakhstan, our alumni and Haileybury Turnford, a local state maintained academy sponsored by Haileybury
- There is easy access to all the academic, cultural, social, sporting and retail facilities on offer in London and Cambridge.

# The Haileybury Curriculum

At Haileybury, we encourage academic excellence and promote intellectual curiosity. A combination of a robust, creative curriculum, inspirational teaching and an atmosphere in which the progress of every pupil is important, ensures that the learning at Haileybury is of the very highest quality.

We are an academically selective school, providing a wide range of (I)GCSEs and in the Sixth Form a choice of A Level or the International Baccalaureate (IB) Diploma. Our all-round pastoral care extends to pupils and staff alike and is underpinned by our open, embracing Christian ethos that welcomes equally those of faith and no faith. This nurturing environment, together with extensive co-curricular activities, creates confident individuals, with leadership, team and social skills. We deliver what many schools only promise – a truly holistic education in which our pupils are prepared for university and life beyond as global citizens.

Haileybury combines excellent scholarship with forward-looking teaching. In pupils and teachers alike, our aim is to nurture a love of learning and a desire to explore new ideas. In so doing we prepare pupils to develop academically and to achieve at their highest level. Their endeavours are supported by outstanding facilities, study resources and enrichment opportunities.

## Sport at Haileybury

Sport is integral to life at Haileybury and we encourage sporting excellence on both an individual and team level. At the same time we strongly foster a “sport for all” mentality throughout the school and all our pupils participate within our sporting curriculum.

Sport is enjoying a wonderful crescendo currently. Our boys' rugby is in the top ten in the country in the Daily Mail League, while the girls' rugby coming third at Rosslyn Park Sevens in 2017. The girls' hockey team is in the top four in the country and the lacrosse team is unbeaten in this academic year. The pupils hold great store with sport and it is a pleasure to work with such a motivated pupil body.

### Staffing

We have Directors of the main focus sports: rugby, cricket, hockey and netball. In addition to these roles, the majority of teaching staff are involved in the sports programme as team coaches, many of whom are high calibre sports people in their own right and as a result the quality and enthusiasm of coaching in the College is excellent.

# Cricket at Haileybury

We have eleven boys' and six girls' cricket teams, with over 200 pupils enjoying first class facilities and coaching during the Summer Term predominantly but also benefitting from a winter training programme using the indoor facilities. We are unabashed in our ambition to become the foremost cricket school in the country.

In the summer we train twice a week at least (on Tuesday and Thursday afternoons) and play matches on Saturday afternoons. The Haileybury teams play on a strong circuit in the South East of England and our U13 teams are full of exciting talent and the girls' side of the programme is growing with immense speed.

Training happens year round in the indoor facilities, making the most of the numerous bowling machines, Merlyn and pitch vision technology. Each age group has a weekly session throughout the winter months.

Haileybury has a history of producing players who go on to perform at an elite level with numerous Old Haileyburians playing professional cricket, but with the latest OH making headlines being Sam Billings for both Kent and England, as well as in the Big Bash and in the IPL.

With both boys and girls, we currently have a good number of county players in the school, many of whom are nurtured through the Haileybury High Performance Programme, with one Lower Sixth boy making his Hertfordshire Minor County debut last summer.

Pupils play cricket as their main sport in the Summer Term with sessions running on Tuesday and Thursday afternoons and most matches taking place on Saturday afternoons. Tournaments and midweek T20 fixtures are common and indoor training tends to be based in the afternoons / evenings during the off-season. The High Performance Programme (HPP) enables the best players to spend one-on-one time with specialist coaches (Director of Cricket, Head of Strength and Conditioning etc.) each week to develop skills and to experience a more professional approach to sport.

The U13 boys suggest a bright future for Haileybury cricket. This team has enjoyed significant success. One of the players scored two 40-ball hundreds last year against opposition a year older than him and enthusiasm for the game in the younger ranks is contagious. Girls' cricket too is experiencing some dramatic and exciting developments with games v MCC Ladies amongst others on this summer's fixture card.

## Facilities

The provision for cricket, both in the summer and in the off season, is superb with five grass wickets, nine outdoor nets and three indoor lanes in our Sports Complex available for coaching sessions and matches.

## Tours and pre-season

An annual training camp takes place in April prior to the Summer Term while tours take place every other year for both the Lower School and for the Senior School teams. In recent years the seniors have been to India while the juniors enjoyed a successful few days at Edgbaston last summer. We are planning a senior tour to South Africa and India for the U15s in 2019.
