

BRAMPTON MANOR ACADEMY
SIXTH FORM

“For A Level attainment Brampton Manor Academy in East London is the best comprehensive.”

WELCOME

WELCOME TO BRAMPTON MANOR ACADEMY SIXTH FORM.

This is an academic Sixth Form, offering high quality A Level teaching. We have exceptionally high standards and have an established tradition of academic achievement. Students make exceptional progress at Brampton and we deliver outstanding A Level results. In 2018 our fifth cohort of A Level students achieved our highest number of A*- A grades to date. Three quarters of our students progressed to Russell Group universities – the highest of any provider in Newham and one of the highest Russell Group progression rates in the country. Twenty students progressed to Oxford or Cambridge.

This is a tribute to their hard work, but also to the elements that we have put in place at Brampton Manor to ensure their success. We have:

- Exceptional teachers in all subjects.
- Astonishing facilities in all subjects.
- A wide choice of academic A Level courses.
- Small teaching group sizes.
- An outstanding university guidance programme.
- A diverse enrichment programme.
- Bespoke work experience tailored to enhance specific university entrance requirements.
- A fantastic Sixth Form centre.
- An ethos and culture which welcomes and supports all students.

We want you to do well but also to enjoy your Sixth Form experience. So you'll find that there are plenty of social, sporting, artistic and recreational activities available to help ensure a healthy work / life balance. By choosing Brampton Manor you'll be joining a long-

established institution with a track record of success, rated as 'Outstanding' in every category by Ofsted. In their 2018 visit they judged that:

- Effectiveness of leadership and management is outstanding.
- Quality of teaching, learning and assessment is outstanding.
- Personal development, behaviour and welfare of pupils is outstanding.
- Outcomes for pupils are outstanding.
- 16 to 19 study programmes are outstanding.

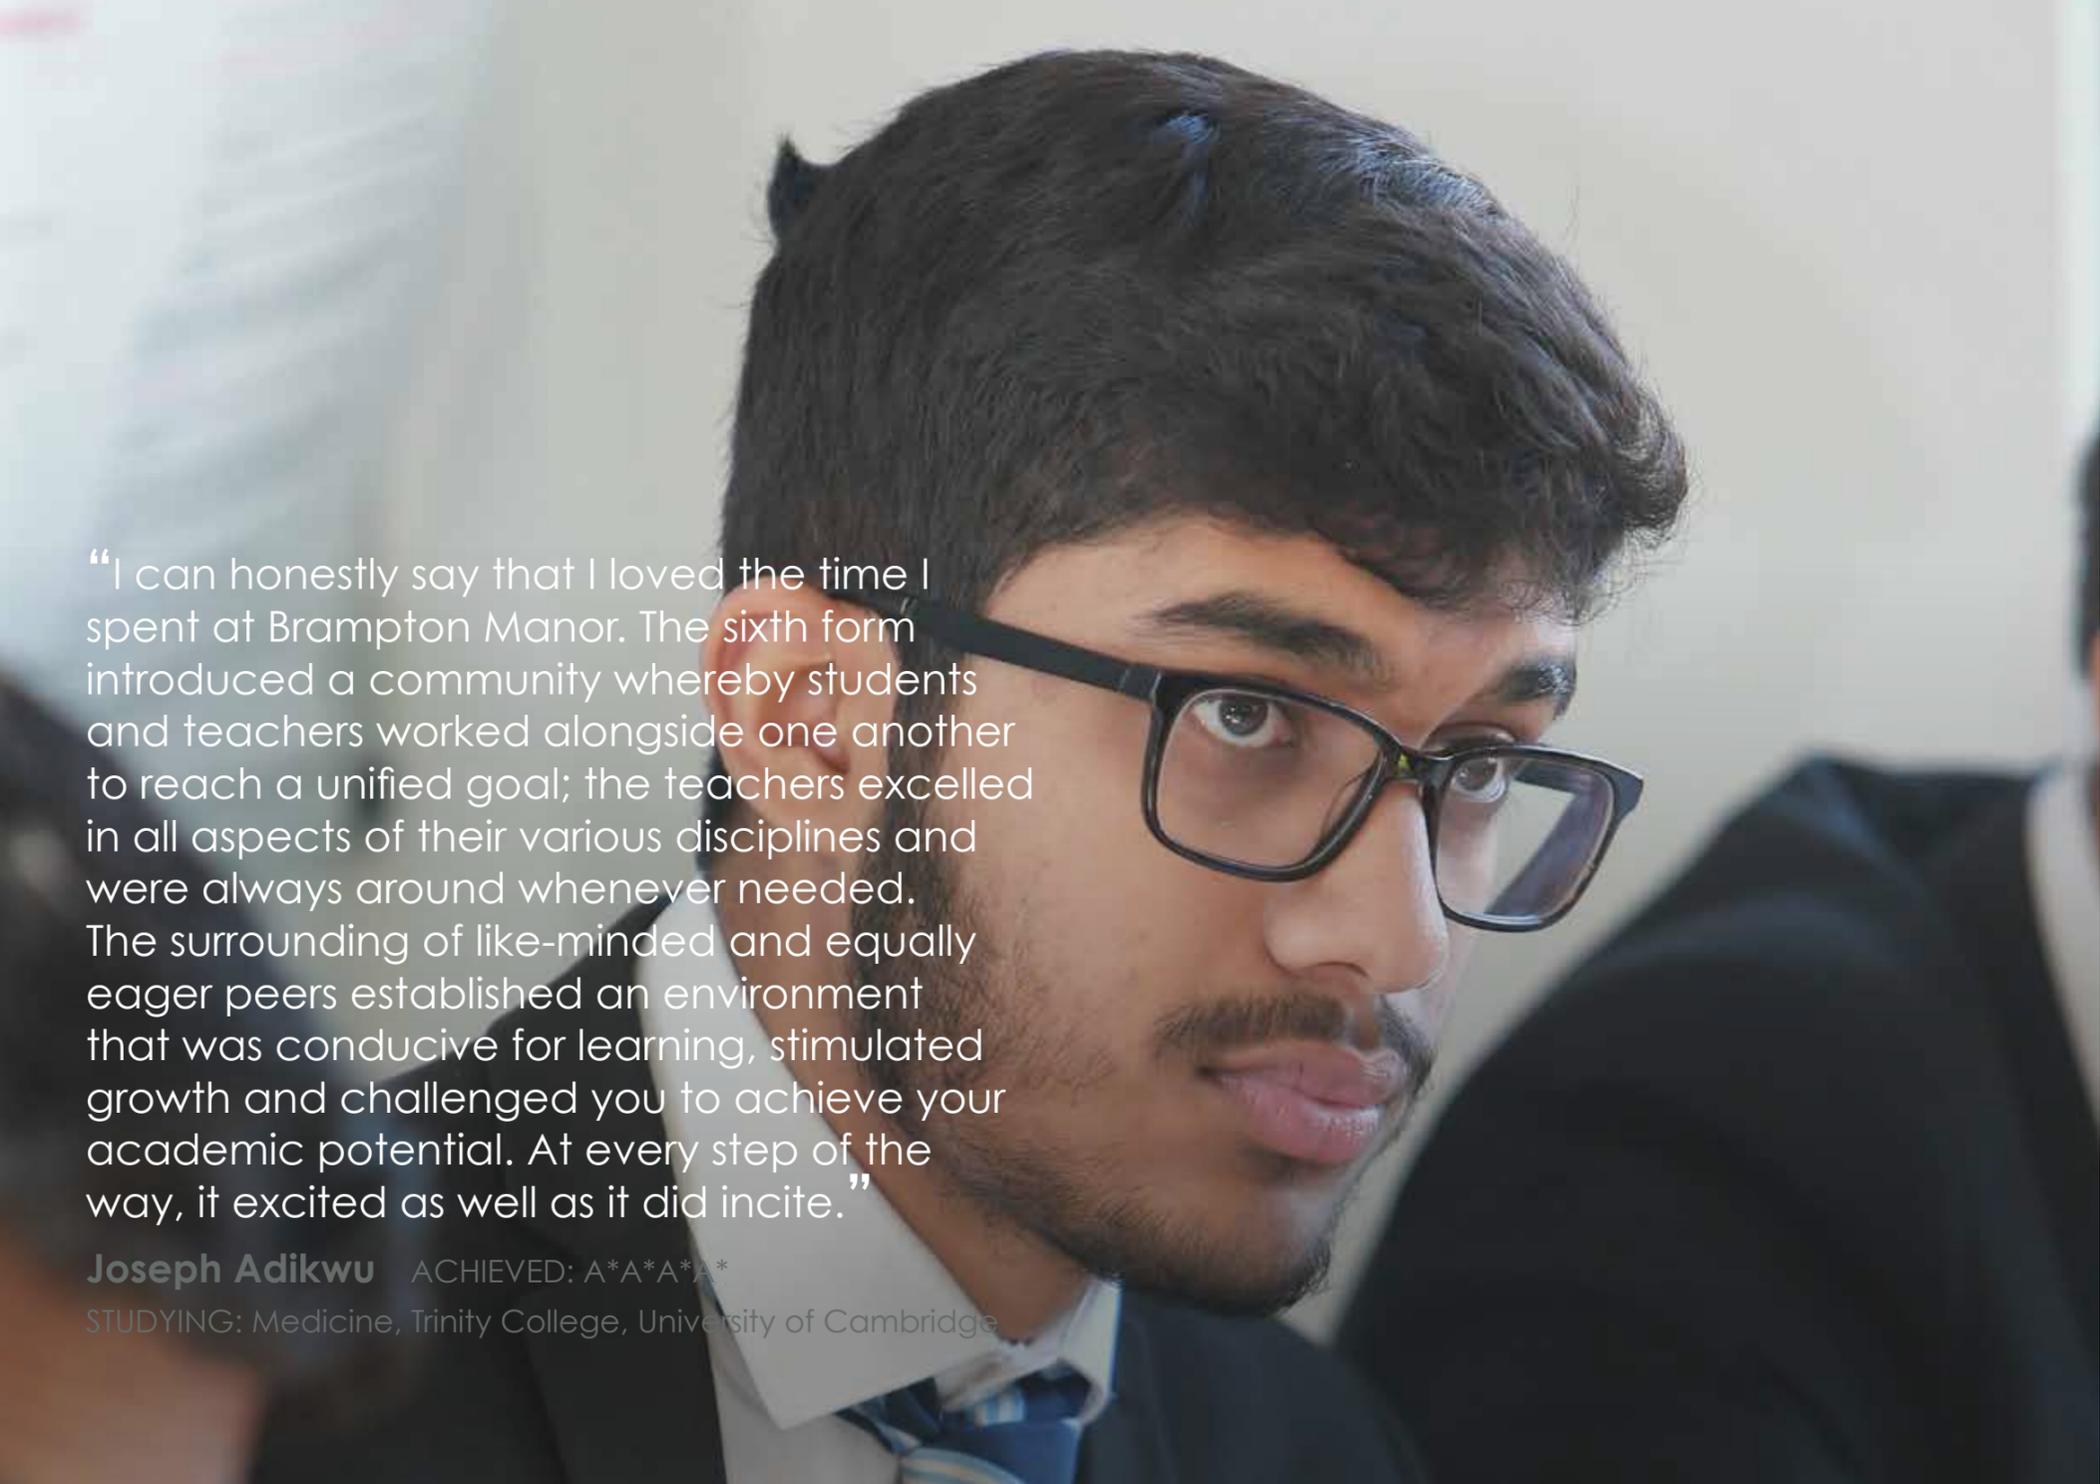

In 2019 our A Level results will continue to cement our position as one of the highest achieving academic Sixth Forms in the United Kingdom. This is due to the commitment and dedication of our students and our staff, who are second to none. Most of our teachers are themselves top graduates of the elite Russell Group of universities to which our students aspire, and together they form a highly qualified and experienced team of professionals who are experts in their fields.

None of the success we continue to enjoy has happened by accident. It's all about having the right people, the right resources and the right level of challenge and support. You now have the opportunity to join in that success.

Good Luck.

Dr D Olukoshi
Executive Principal

“I can honestly say that I loved the time I spent at Brampton Manor. The sixth form introduced a community whereby students and teachers worked alongside one another to reach a unified goal; the teachers excelled in all aspects of their various disciplines and were always around whenever needed. The surrounding of like-minded and equally eager peers established an environment that was conducive for learning, stimulated growth and challenged you to achieve your academic potential. At every step of the way, it excited as well as it did incite.”

OUTSTANDING ACADEMIC ACHIEVEMENT

ACADEMIC ASPIRATION IS AT THE CENTRE OF OUR SIXTH FORM.

The 2018 Department for Education performance tables (summarised below) confirm that our stunning A Level results rank us as the highest achieving school in the region. Our university progression rate is the highest in the country. We are in the top 10 schools

nationally for Russell Group progression and have been a 'top 10 school' for the last four years. This demonstrates what it is possible to achieve as a student at Brampton.

These outcomes were not achieved by chance, but instead reflect the outstanding teaching from highly qualified subject specialists that students receive across the board. Our well-resourced and supervised Study Centre is available for students to use every day from 7.30am until 6pm, with private study periods included

as part of the timetable to provide you with the opportunity and facilities to engage in independent learning. Success at A Level requires exceptional effort and determination; we will be with you every step of the way, leaving no stone unturned in our mission to ensure you achieve to the very best of your ability.

PREPARING STUDENTS FOR THE FUTURE

THE WORLD IS AN INCREASINGLY COMPETITIVE PLACE, WHICH IS WHY AT BRAMPTON WE HAVE ONE EYE ON THE NEXT STEP OF YOUR JOURNEY.

Our well established university preparation programme leaves nothing to chance, offering superb guidance through the UCAS process. The UCAS process is delivered by expert tutors, University Access Officers and senior staff. This has resulted in us achieving the best progression rate to the prestigious Russell Group of universities in the region and one of the best in the UK for four years running. We are proud of the wide range of high quality our institutions our students progress to study at. In 2018 these included:

- Birmingham
- Bristol
- Cambridge
- Durham
- Exeter
- Imperial
- Kings
- Liverpool
- LSE
- Manchester
- Nottingham
- Oxford
- Queen Mary
- Sheffield
- Southampton
- UCL
- Warwick
- York

In order to help you choose the right university we

offer you dozens of opportunities to attend residential summer schools, lectures and enhancement programmes run by leading universities. Over the past year our students have successfully applied for and participated in schemes at a range of prestigious institutions including: Bristol, Durham, Exeter, Imperial, Nottingham, York, Warwick, Oxford and Cambridge.

As a Sixth Form that believes there is no limit to what you can achieve, we encourage our highest achievers to apply to Oxford or Cambridge. Our extensive Oxbridge preparation programme begins in Year 12 and includes residential trips to both universities, specialist support with admissions tests and interview workshops. All Oxbridge preparation is led by a dedicated team of Oxbridge graduates. In 2018 we were delighted that twenty of our students progressed to study at Oxford or Cambridge.

We also have a number of subject specific pathways on offer to students. For example, our medical applicants have the opportunity to complete a bespoke work experience and university preparation programme alongside a Senior Consultant at Newham General Hospital, whilst our lawyers have completed placements at the world's leading law firms, including Clifford Chance and Allen & Overy.

In fact, whatever you aspire to do in the future, from engineering to journalism, we make it our business to help you succeed. All students are guaranteed a one week work experience placement, as well as access to hundreds of outstanding placements taking place in school holidays.

“Brampton motivated and helped me achieve grades beyond my expectations. They have helped me in making every step from school to university easier.”

ENRICHMENT & EXTRA-CURRICULAR PROGRAMME

WE WANT YOU TO ENJOY YOUR TIME IN OUR SIXTH FORM AND LEAVE US WITH THE EXPERIENCES, SKILLS AND PERSONAL QUALITIES REQUIRED TO SUCCEED IN UNIVERSITY AND WORKING LIFE.

Every Wednesday afternoon you will participate in a timetabled enrichment session of your choice. The range of activities is vast - current options include yoga, conversational French, conversational Spanish, football, badminton, drama, cycling, fitness, dance, swimming, mindfulness, chess, rugby, debating street dance and the Duke of Edinburgh Award. These activities are offered to you free of charge as part of the entitlements which come with being a Brampton student.

In addition, there are a range of after school clubs running every day. Some of our most popular include 'Cooking on a Budget', the school musical, drama club and debating. And if you can't find a club which takes your interest we'll give you all the support you

“Without the teachers at Brampton I wouldn't have even applied to Oxford, they gave me both the support and confidence I needed to do the course of my dreams!”

need to set up your own, enabling you to develop your leadership skills in the process.

Many of our students take their hobbies to the next level by representing the school in external competitions. We are regional debating champions, having made the national final of the prestigious Oxford, Cambridge and English Speaking Union competitions for five consecutive years. Our teams compete around the country and are consistently ranked as the best state school debaters in the UK. Our sports teams compete with great success whilst our aspiring lawyers enjoy competing in the Bar Mock Trial Competition, where they have the opportunity to present a case in a courtroom in front of a real judge.

PERSONALISED CARE & GUIDANCE

BEHIND OUR AMBITIOUS VISION LIES A RESOLUTE BELIEF WHICH GUIDES ALL THAT WE DO – STUDENTS CAN ONLY ACHIEVE THEIR POTENTIAL IF THEY ARE TREATED AS INDIVIDUALS.

Sam Dobin
Director of Sixth Form

“Brampton has helped me to achieve my dreams. I had always been overwhelmed by the fear of failure so I didn't even entertain the idea of applying to Oxford. The amazing staff members at Brampton nurtured and guided me, helping me to achieve what I had thought was impossible.”

No two students are the same, which is why we take the time to get to know you so that we can best support you in achieving your personal goals.

Our comprehensive programme of support includes daily interaction with a form tutor and regular one-to-one meetings with a member of our teaching staff who acts as your personal mentor throughout your time in the Sixth Form. We also have a highly experienced and dedicated team of pastoral staff on hand to look out for your welfare and monitor your progress. Half termly

tracking in all subjects enables us to intervene quickly if a student is struggling. We work with teachers and parents to provide the support students need to enable them to achieve their goals.

Ultimately, when a student chooses to enrol in our Sixth Form we know they are trusting us with their future. This is a responsibility we take very seriously and is what drives us to continue to provide the guidance, motivation and care to enable the next generation of Brampton students to go onto achieve their dreams.

“Brampton is a special place. It’s a community where students of all types of potential come together, taught by teachers of the highest caliber and determination. You learn to maintain a learning curve under the heavy aid and pressure of teachers whom selflessly aim to push you to your greatest potential. Although different, we all hold passion and high potential, and through sincere effort and determination, at Brampton we can be successful.”
