

I am coming to the end of my 14th Year at Harwich and Dovercourt High School which speaks volumes in itself about the atmosphere created by supportive staff and the Community spirit of the school.

Being Head of one of our four Learning Communities has given me immense pride over the years and is central to the success of our school. The relationship between parents, students and staff colleagues is what we have successfully developed and strive to improve all the time.

The Harwich and Dovercourt High school has given me opportunities to take up other roles and I have enjoyed the role of academic mentor and Head of Key Stage 4 PE.

The school has an excellent CPD programme led by the energetic and creative teaching and learning team who lead a structured programme with learning hubs and morning briefing sessions all with the aim of sharing good practice and giving ideas for others to develop their own delivery content/approach.

Mr P Day

Teacher of PE / Head of Windsor Learning Community
