“ ST ANNE’S IS A GOOD SCHOOL THAT CARES FOR ITS STUDENTS EXCEPTIONALLY WELL. THE SCHOOL HAS AN EXTREMELY POSITIVE ETHOS THAT PERMEATES ALL ASPECTS OF ITS WORK. ”

OFSTED 2011

# A WORLD OF OPPORTUNITY

Welcome to St. Anne's, where we offer your daughter something truly unique in our local area: academic achievement combined with spiritual development. Our Catholic ethos pervades all aspects of school life, making St. Anne's a focused, caring and happy community in which girls can flourish.

Our dedicated team of staff and governors work hard to maintain the high expectations and pastoral support that lead to the best possible standards. Committed to being an inclusive school, we nurture an ethos in which every girl is motivated to strive for success, whatever her level of ability.

Building on our Business and Enterprise specialism, we seek to raise aspirations, generate opportunities and promote a 'can do' attitude. Students are encouraged to develop independent learning skills that will benefit them when they progress to our thriving Sixth Form and if they go on to University.

The cultural diversity of our students enriches the life of St. Anne's, while our common faith means that we enjoy a strong sense of community. Our girls are great ambassadors for the school – demonstrating outstanding behaviour, enthusiasm for their learning and caring attitudes to one another and the wider world. I warmly invite you to visit our school to be inspired by them, meet with staff and discover for yourself what St. Anne's has to offer.

“ ST ANNE’S IS AN OUTSTANDING CATHOLIC SCHOOL. ”

DIOCESE OF WESTMINSTER 2012

## CHALLENGE AND ACHIEVEMENT

Girls at St. Anne's benefit from our very broad curriculum, innovative teaching methods and exciting Business and Enterprise specialism.

We are committed to offering the widest range of opportunities, both within the classroom and beyond. Careful monitoring and evaluation ensure that we keep a strong focus on progress, allowing us to provide additional challenges for gifted and talented students and give extra learning support to those who need it.

In addition to academic subjects, all students follow a course of personal, social, health and economic (PSHE) education. By exploring topics such as relationships, healthy lifestyles and careers,

they develop the life skills to deal confidently with a variety of issues.

ICT is used as a tool for learning across the school and has been central to the development of our specialist status. We use our Business & Enterprise specialism to instil transferable skills – such as innovation, collaboration and perseverance – that will benefit students when they enter higher education and the world of work. Through stimulating enterprise activities and visits from inspirational business people girls develop the vision and self-discipline required to pursue whatever goals they set themselves in life.

“ THE SCHOOL HAS USED ITS SPECIALISM PARTICULARLY WELL IN DEVELOPING STUDENTS' SKILLS IN INFORMATION AND COMMUNICATION TECHNOLOGY. ”

# A SPIRIT OF ADVENTURE

05

The culture of innovation and creativity fostered by our specialism permeates throughout St. Anne's.

Our broad enrichment programme provides many opportunities for education outside the classroom and the girls are always encouraged to experience new activities. As well as providing sporting, musical and dramatic pursuits, we enhance learning through homework clubs, revision classes and summer schools. Students enjoy taking part in concerts and theatrical performances, visiting places of interest and making residential trips, including foreign expeditions. With the digital age making the world an increasingly interconnected place, we focus on developing students' global awareness.

Students are keen to participate in the running and development of our school; they have the opportunity to represent their peers through the elected school council, play a part in the staff recruitment process and take on various student leadership roles.

Many girls undertake community work in local primary schools or within our neighbourhood and all students are involved in fundraising for charitable causes, reflecting their faith and developing empathy for those less fortunate.

“ THERE ARE A RANGE OF AFTER SCHOOL AND LUNCH TIME CLUBS THAT ENCOURAGE SOCIAL SKILLS TO FLOURISH, FOR EXAMPLE, HOMEWORK, MUSIC, PE ACTIVITIES AND MANY MORE. ”

YEAR 9 STUDENT

FOR GIRLS

“ STUDENTS ARE PROVIDED WITH HIGH QUALITY  
ADVICE AND GUIDANCE TO SUPPORT THEIR  
PERSONAL AND ACADEMIC DEVELOPMENT. ”

OFSTED 2011

# CARING FOR ONE ANOTHER

Our ethos and the support we provide for our students reflect the fact that Gospel values form the foundation of everything we do at St. Anne's.

Pastoral support is a key strength of our school and underpins our academic success. Achievement Leaders play a crucial role in the care of students and their non-teaching status affords them more time to focus on the individual needs within their year group. Girls can also seek advice from our Lay Chaplain and Form Tutors, or from fellow students through our effective peer-mentoring programme. Special care is given to our new Year 7s to help them settle in, a process helped by the fact that our split site results in a comparatively small community in the lower school.

Committed to providing a safe and orderly environment that is conducive to learning, we expect high standards of behaviour and appearance. We foster a culture that inspires our pupils to show tolerance, care and forgiveness towards others. As a result, girls enjoy excellent relationships with one another and with staff, leading to a spirit of harmony and common purpose. With our faith celebrated through morning prayers, assemblies, retreats, Mass and special events, there are also many opportunities for worship, intercession and reflection to nurture girls' spiritual growth.

“ THE SCHOOL PROVIDES OUTSTANDING CARE, GUIDANCE & SUPPORT TO ENSURE THAT THE STUDENTS' PERSONAL DEVELOPMENT & WELL BEING, BOTH IN THE MAIN SCHOOL AND IN THE 6TH FORM, ARE OUTSTANDING. ”

# ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

## A BRIGHT FUTURE

Our popular Sixth Form provides the opportunity for girls to extend their academic knowledge and develop skills that will be invaluable at university and in the workplace.

Students are encouraged to join our flourishing Sixth Form, where they rise enthusiastically to the challenge of being good role models for the rest of the school. Through a broad choice of academic and vocational courses at AS/A2 and BTEC levels, we offer post-16 education that is suited to a very wide range of abilities and aptitudes.

Sixth Formers enjoy many exciting, extra-curricular activities that develop their teamwork skills and often establish lifelong friendships. Students continue to follow a course of religious education and can take advantage of a range of opportunities for Christian fellowship.

Many students in Years 12 and 13 demonstrate their increasing maturity and compassion through participation in Enfield's Youth Action Volunteering Scheme, community work – including tutoring senior citizens in ICT skills – and charity fundraising initiatives.

We ensure that girls continue to benefit from effective pastoral support and our Sixth Form staff work hard to give them practical and personalised advice to help them shape their future.

“ ALL ASPECTS OF SIXTH FORM PERSONAL DEVELOPMENT AND WELL-BEING ARE OUTSTANDING. SIXTH FORM STUDENTS PLAY A HIGHLY SIGNIFICANT ROLE IN THE LIFE OF THE SCHOOL AND PROVIDE EXCELLENT ROLE MODELS FOR YOUNGER STUDENTS. ”
