Application for Mathematics Teacher, The Weston Road Academy

Dear Applicant,

Thank you very much for requesting details for the position of Maths Teacher at The Weston Road Academy. This is an exciting opportunity for a person wishing to develop their career in an environment that is supportive of its staff. The successful candidate will be joining the Academy at an exciting time as it continues to grow, until we reach full capacity in 2020. We are looking to recruit for September 2018, an enthusiastic and committed teacher to join us on our journey to becoming an established, outstanding school. You will be a great teacher who cares deeply about the prospects of the young people under our care, and someone who is passionate about education within a comprehensive system.

This is an excellent opportunity for you if you are seeking your first teaching post or if you are experienced in the profession. We seek somebody who will have a committed focus on raising attainment and achieving progress for all pupils within a caring and aspirational environment. Both full time and part time applications will be considered. You will benefit from working with a strong team of teachers and support staff in a purpose built learning environment. All staff at the school share the Academy's vision that every pupil will 'Aspire and Believe to Achieve the Extraordinary'. Pupils will leave The Weston Road Academy with excellent academic outcomes and a clear purpose for the next stage of their lives.

Our information pack gives details of the post and the recruitment process. I hope that you will be inspired to apply for this exciting opportunity and look forward to receiving your completed application. In the meantime, if you have any queries or would like to arrange a visit to The Weston Road Academy, please contact us on 01785 413600.

Yours sincerely,

A handwritten signature in dark ink, appearing to read 'A. Kingman', with a stylized flourish at the end.

Headteacher

Vision and Values

Vision: *To be an outstanding Academy, at the heart of the community, enabling our pupils to deliver the extraordinary across all areas of the curriculum and beyond.*

Objectives

To collaborate with our community, making a difference to the life chances of every pupil, breaking down barriers to learning, building self-belief, and developing aspirations, therefore, enabling every child to achieve the extraordinary

To enable staff to achieve their best; passionate about teaching, rewarded for delivery of our priorities and supported by effective leaders

To offer a broad and balanced curriculum that inspires and encourages delivery of the extraordinary

To create a truly inclusive Academy where adults build positive relationships with children and where every child feels safe, happy, confident, challenged and supported to achieve the remarkable

To develop partnerships with parents, businesses, and our local community in order that Weston Road continues to be a centre of excellence that is trusted and valued by its stakeholders and beyond

To enable all pupils to achieve the extraordinary through provision of a world class environment, underpinned by financial sustainability and inspired staff

To enable pupils to make the right choices by equipping them with the life skills, guidance and advice empowering them to be the creators of a rewarding and successful future within their local community, modern Britain and the wider world.

We will deliver our vision through our **Core Values** ensuring extraordinary outcomes for all:

Belief	Togetherness	Respect
Responsibility	Accuracy	Inclusion
Organisation	Excellence	Integrity

Information about The Weston Road Academy

Welcome to The Weston Road Academy. We are extremely proud of our school and new pupils, staff and visitors are always struck by the friendly, positive and hard-working atmosphere. Our ethos is built on traditional values such as respect, hard work, community, pride in our appearance and high expectations. We work together to instil an enjoyment in learning and strive to support each child. We work hard to develop their confidence and skills to be the best they can be and to reach their full potential. It is our pleasure to invite you to be a part of the exciting future of our Academy. We are not just a school recognised by Ofsted as Good with Outstanding pupil behaviour, we are also welcoming and caring, with the staff, ideas and a drive to continually improve. Our pupils leave us well qualified and proud of their achievements. We guide them to be mature, highly skilled and successful learners equipped for the fast paced modern society they will eventually join.

Since opening in 1979, as Weston Road High School we have continued to deliver an excellent education to pupils of all backgrounds and abilities, valuing the well-being of each pupil. Serving the community of East Stafford and nearby villages, our Academy is an ideal size – not so big that it is impersonal but large enough to offer a wide variety of courses and extra-curricular opportunities.

On 1st October 2011 we proudly became Stafford's first Academy. As a converter Academy, The Weston Road Academy is answerable directly to the Department for Education and has used its freedoms to develop an innovative curriculum and pastoral care system. Inevitably, this document cannot convey the inspiring atmosphere and vibrancy of the Academy and we invite you to visit us to find out first hand, why so many parents choose The Weston Road Academy as the preferred choice for their child's secondary education.

Academy Facilities

The Weston Road Academy is an attractive building encompassing two courtyards and a wildlife area as well as extensive playing fields. Each department has its own suite of rooms. In addition to normal specialist classrooms, we have a 180-seat theatre, sports hall with weight training room, gymnasium, eight hard playing courts, drama/dance studio, and specialist rooms for music, science, design and technology, art and ceramics, computing and ICT. The curriculum ICT network comprises over 300 laptops, computers and iPads with high speed internet access.

Mrs Lynn Jones Staff Governor

Admissions

The Weston Road Academy Trust is the admission authority and has responsibility for setting the admission arrangements and for making decisions regarding admissions applications.

Pupils in Years 7 to 13 can apply directly to The Weston Road Academy for a school place and we will liaise with Staffordshire County Council Admissions on your behalf.

Secondary School Admission applications for transition at the end of Year 6 are managed by the Staffordshire School Admissions Service.

Admission number

The Year 7 PAN (Pupil Admission Number) for the entire academic year 2018-2019 is 181.

Admissions over-subscription criteria:

- 1) Children in Care and children who ceased to be in care because they were adopted (or became subject to a residence order or special guardianship order).
- 2) Children who have an elder sibling in attendance at the academy who will still be attending at the proposed admission date;
- 3) Staff children
- 4) Children living within the catchment area of the Academy.
- 5) Children who satisfy both of the following tests: on medical grounds or by other exceptional circumstances and the child would suffer hardship if they were unable to attend the academy

Curriculum

The Weston Road Academy is committed to providing for all of its pupils a broad, balanced and personalised education. The emphasis, in all years, is upon providing pupils with a varied diet of studies across a wide range of subjects. Personalisation is achieved through high quality teaching. Further, corrective literacy and numeracy schemes and 1 to 1 tuition are used to support the literacy and numeracy of those pupils who need this. Small-group English and Maths intervention takes place in years 10 and 11, again for those in need.

In Year 8, pupils are given the opportunity to choose some of their courses to study, in order to pursue particular interests or strengths. At this "Options stage", pupils are guided along a particular pathway according to their own individual strengths and weaknesses, but can ultimately make their own choices. This allows pupils to follow a curriculum which is balanced, stimulating and of interest to them.

Social, Moral, Spiritual and Cultural Education, Citizenship, Literacy, Numeracy, Economic Awareness, Health Education, Internationalism and Careers are delivered across the Curriculum, often in Ethical Studies.

In the Sixth Form we work in collaboration with four other schools in Stafford. This allows pupils to choose from a wide variety of academic and vocational courses.

Curriculum

The timetable operates on a 30-period week with lessons being in either doubles or singles. PSHCE is delivered throughout the curriculum.

Job Description

TEACHER OF MATHEMATICS
Main Scale/UPS
Full-Time/Part-time Permanent Post
Required September 2018

Closing Date: 9am Wednesday 16th May 2018

The Post

We see this as an exciting opportunity for a teacher looking to work in a department that is well organised, well-resourced and enthusiastic about its teaching. There is strong collaborative development of schemes of learning and resources and an excellent team ethos, so the person appointed will be very well supported. Pupils are positive about both language and literature, and eager to learn. Many are of considerable ability.

Candidates who can contribute to the life of the academy outside the classroom are particularly welcome, although our principal aim is always to appoint effective classroom practitioners with a passion for their subject. We will be operating a comprehensive programme of professional support and development.

Job Description

The minimum requirements for teachers' practice and conduct are described in the Teachers' Standards document published by the Department for Education in 2011. In particular, Maths teachers at Weston Road are responsible to the Subject Leader and Headteacher for the following:

- creative use of the agreed schemes of learning and available resources to ensure that all pupils make good progress
- stimulating interest in Maths across the full ability range through the use of a variety of learning approaches
- regular assessment of pupils' work to diagnose their immediate improvement priorities and their progress towards end of key stage targets
- establishing good expectations of class work and homework, with good behaviour maintained in lessons
- liaison with the Subject Leader and colleagues in the development of teaching strategies and resources.

Person Specification

TEACHER OF MATHEMATICS

Person Specification

The successful applicant will be able to demonstrate or give evidence of:

- strong subject knowledge
- good teaching skills and the capacity to stimulate pupils' enthusiasm and ambition
- the ability to teach Maths to GCSE Level, and possibly Maths to A Level
- awareness and keenness to exploit developments in Maths education, including the use of ICT
- good understanding and use of assessment to maximise pupil progress
- the readiness to work as part of a team in the development of learning activities and resources
- the ability to establish in the classroom an orderly atmosphere in which pupils are able to work both independently and in groups as appropriate
- a sincere commitment to comprehensive education and Equal Opportunities
- a positive outlook and belief in the power of education to improve children's lives.

In addition, the readiness and ability to support and take part in extra-curricular activities will be valued. Applicants should include in their application any qualifications or experience they have which would enable them to contribute in this way to academy life.

Selection Procedure

Applicants are asked to send a fully completed application form to the Academy, highlighting any gaps in employment. No other letter or CV is required.

During the selection day, candidates will tour the academy, meet members of the Maths department, teach a lesson, and take part in an interview discussion. The appointment decision will take account only of the application form and these activities. References will be used to confirm the decision. No unofficial soundings will be asked for or considered in the selection process.

The Weston Road Academy is strongly committed to safeguarding and promoting pupil welfare and expects all employees to share this commitment. The successful candidate will therefore need to undertake a List 99 and criminal record check via the DBS and provide references to cover a full three year period.

The Maths Department

The Weston Road Academy is proud to have formerly been a Specialist Mathematics and Computing School and has continued to build on this strength in recent years. The Maths Department is led by a strong and committed team of teachers. At the heart of the department is a drive and determination to encourage independence.. We are a busy and forward looking department that always wants to build on our strengths and to broaden our capabilities. We are supportive of each other and often work collaboratively.

As a department, we have good relationships with our students. Clear expectations are set regarding work and behaviour and when these are not met, there are systems in place to help staff and pupils alike.

Curriculum Structure

The school operates a 30 period week, with lessons of 50 minutes. In Years 7 and 8, pupils are taught in half year groups but are set according to ability. In Year 9,10 and 11 pupils are set across the entire year group to form seven classes. All pupils experience four periods of mathematics each week, with the exception of Y9, Y10 and Y11 who have five. Those pupils requiring extra support are well served by the SEN department and we benefit from having our own higher level teaching assistant. All pupils on roll are entered for GCSE Mathematics. All pupils follow the Pearson's (Edexcel) linear syllabus, sitting their exam at the end of Y11.

For Post-16 we offer A level Mathematics (Edexcel), with statistics and mechanics studied alongside pure mathematics.

Enrichment

The department takes part in a number of initiatives to promote out of lessons learning. This includes running both mathematical and non-mathematical clubs and competitions.

UKMT challenge and Maths Feast are offered to the more able pupils at all key stages. Cross-curricular links are explored where appropriate. Our Gifted and Talented Y8 pupils visit a local university to attend Master-classes. The department is always seeking new and innovative ways to enrich pupils' mathematical experiences.

Resources and Accommodation

Maths is taught in a suite of rooms and has its own departmental office. Teachers are issued with laptops and there are interactive whiteboards in all of our classrooms. The department subscribes to websites such as MyMaths, Mathspad, Just Maths and Mathsbox, a number of Pixl initiatives are being used after successful trials.

The department also has a set of interactive remote controls (Quizdom) used by all members of the department. We are constantly trialling and developing resources to meet the needs of our learners, with current initiatives being stretching our most able through teaching to the top and retention of key formulae required for GCSE. Ideas, expertise and resources which support our detailed schemes of work are regularly shared.

Results

KS4 results show 100% of those entered gained a Maths GCSE grade 9-1 in 2017. The percentage of pupils achieving grades 9-4 was 78%.

Post 16 results show 100% pass rate in A2 in 2017 The percentage of pupils achieving A/B grades at A2 was 87% of entries.

Thank you for your interest in The Weston Road Academy and for taking the time to read about our school. We look forward to receiving your application in due course.
