

# SEVENOAKS SCHOOL

## JOB DESCRIPTION

Appointment of a  
Teacher of English  
from April 2019 or earlier

## The School

Founded in 1432, Sevenoaks enjoys a global reputation as a centre of academic excellence and a flagship school for the International Baccalaureate. A co-educational day and boarding school, it offers a stimulating, intellectually demanding and balanced education for pupils from the age of 11 to 18.

Inspiring facilities, together with expert, enthusiastic and imaginative teaching, provide rich opportunities for students participating in lessons, and a wide variety of sports and the performing arts.

The school's international make-up and outlook promote the principles of tolerance and open-mindedness. About 350 pupils board in the seven boarding houses, and students originate from some 40 countries worldwide.

In 2013 the Independent Schools Inspectorate (ISI) awarded Sevenoaks School the rare accolade of 'Exceptional' for its students' achievement. In the new style inspection in 2017 pupils' achievement and personal development were judged excellent, the highest grades. Sevenoaks was also the highest performing fully co-educational school, and the one with the largest cohort, in The Sunday Times Parent Power's top 50 fee-paying schools for the IB in 2015. In 2017 we were, for the second time in 10 years, awarded The

Sunday Times Independent School of the Year for 2018.

This excellence is achieved by bright, motivated students, inspired by highly qualified and dedicated teachers in well-resourced classrooms. The school has over 150 teaching staff, well supported by a large number of ancillary staff. A professional pastoral team of specialist tutors, boarding house staff and year heads give care and guidance, promoting student happiness. The mutual respect shared by students and staff generates a harmonious and purposeful atmosphere.

Every pupil is encouraged to be curious, creative, critically aware, and to develop his or her passion and talent to the full. Life is fast-paced, dynamic, and expectations are high. At the same time, the school seeks to cultivate in its pupils the habit of reflecting on their learning, and on how they contribute to society more broadly. Ambitious and principled, confident and compassionate, our pupils are prepared for leadership and teamwork in the wider world.

Regular assemblies, tutor group meetings and a programme of talks help the social and emotional understanding in our pupils, and a long tradition of voluntary service and local and international charity projects advances a core set of values across the student body.

## The Campus

The school is situated in the Kent market town of Sevenoaks, and has a prime position at the top of the High Street. The 100-acre site, which includes a number of listed buildings, is beautifully landscaped and adjoins the medieval deer park of Knole. London is only a 30-minute train journey away. Gatwick International Airport is also only 30 minutes away, and there are good transport links to other London airports and the Channel Tunnel.

The school's first-class resources and facilities include a superb sports centre (The Sennocke Centre) opened in 2005. A state-of-the-art performing arts centre (The Space), which provides four outstanding venues for music and drama, was opened in 2010. The Science & Technology Centre and a Sixth Form Global Study Centre opened in 2018, and a new boarding house should be ready for occupation by 2019.

## Teaching at Sevenoaks School

We want all our pupils to enjoy their subjects, to be inspired by their teachers and to become independent, lifelong learners. We have an exceptionally lively, talented and committed staff body. newly-qualified teachers but can also provide training including PGCE for those new to the profession. All new staff undertake a comprehensive induction programme. Sevenoaks is committed to supporting its staff with training and professional development tailored to staff needs and interests.

Teachers at Sevenoaks are innovative and forward-thinking and over 60 staff are involved in the Institutes of Teaching & Learning, Higher Education & Professional Insight, and Service & Social Impact, shaping further development and initiatives for students and staff alike.

## Curriculum

All of the 400-plus Sixth Form students pursue the International Baccalaureate Diploma, a programme the school has delivered for 40 years. The Diploma represents, in the school's view, the best preparation for university and for work in a world of global competition. Even more important, it genuinely develops a rich inner life in our students, opening their minds to connections and possibilities within and across the subject disciplines.

It is no surprise that our students leave Sevenoaks to study a wide range of courses in the UK and around the world. All 210 leaving students each year progress to the world's top universities, including up to 25% to Oxford and

The department enjoys regular successes at Oxbridge entry, while many students opt for the intellectual excitement of writing a 4,000 word IB Extended Essay on a literary topic of their choice – a unique experience, with individual teacher supervision, which student and teacher alike find terrifically fulfilling. With a tremendous variety of creative initiatives going on, a committed set of colleagues, and a clear plan for future development, this highly professional and passionately led department lies at the academic heart of the school.
