## The RSA Academy, Tipton

The RSA Academy in Tipton was the first academy to be sponsored by the RSA, it opened to students aged 11-18 for the first time in September 2008. The Academy is larger than the average secondary school and draws students from the heart of Sandwell borough.

Their mission is to develop well-rounded individuals who are successful in all aspects of their lives; citizens who can make a difference on a local and global scale and young people who have high aspirations for themselves and their community. The RSA Academy students will be equipped with the knowledge, skills and competences to allow them to thrive in an ever-changing world.

As members of the RSA Family of Academies, and as a school in the Central RSA Academies Trust, our leaders and teachers collaborate in order to develop approaches and joint events that support staff and students in developing excellence in the 6 attributes below:

- Character
