**THE  
HOWARD  
SCHOOL**

Paul Morris  
**Chief Executive**  
The Howard Academy Trust

---

The Howard Academy Trust aims to create a close knit family of Good and Outstanding schools through partnership, challenge, accountability and support within a cooperative framework.

We are an innovative and creative Trust, responding to the ever-changing needs of our students and the demands from higher education and employers. We recognise and emphasise the importance of aspiration, energy and ambition.

Thank you for your interest in the post of Cover Supervisor at The Howard School. I am determined to recruit a talented individual who shares our vision of providing a first-class education to all our students. You will show the drive, tenacity and ability to realise this ambition, and demonstrate a commitment to your own education and to yours and others' professional development. This role is one where you must provide clear leadership, challenge and support to others and you must have the capacity to do this in a way that is professional, based on evidence and motivates your colleagues.

Our local and national reputation as a school where results challenge the stereotypical view of underachievement in young men continues to grow, as does the perception that we hold to traditional values in standards of behaviour and uniform. We are an innovative and creative school, responding to the ever-changing needs of our students and the demands from higher education and employers. To further this, a number of exciting changes are planned for the near future to support our drive towards excellence.

I am determined to ensure The Howard is the best school in Medway and beyond in which to teach, work and develop. Our success has been built on the commitment, professionalism and aspirations of our staff. It is a place where people want to work as there are opportunities for progression. I hope my resolve to take the school to the next level is evident and, while I recognise that this is by no means easy, that this is the very least we should be doing for our community. The successful candidate will be someone who is genuinely up for the challenge. In return, we can promise an investment in you and your future, offering a competitive remuneration package, providing first class professional development and career opportunities.

I look forward to receiving your application.

# History of The Howard School

The Howard School was established in 1975 by amalgamating Rainham Boys Secondary School and Gillingham Boys Grammar School to form a bi-lateral school. A bi-lateral school is one where admission to the grammar school section can be by 11 plus selection and admission to the high school section is non-selective.

The school was named after Dorothy Howard who played a major part in the local community.

Since opening there have been five Principals:

- John Hicks: 1975 to 1987
- Alan Jarrett: 1987 to 1997
- Maurice Barry: 1997 to 2001
- David Smith: 2002 to 2007
- The Honourable Paul Morris: September 2007 - December 2015

The Howard School became a Grant Maintained School in 1994 when we left the control of Kent County Council. Following a change of Central Government, we became a Foundation School in 1998. Although a Foundation School we worked very closely with the local authority. The school became a Specialist Sports College with ICT as the second strand in 2007. In October 2014, the school became an Academy and the core of The Howard Academy Trust.

We are a high achieving successful 11 to 18 school.

Since 2008, The Howard School has been and remains one of the highest achieving non-selective schools in Medway, Kent and the South-East of England. We believe The Howard School is one of the highest achieving boys' non-selective schools in the country.
