A SPECIALIST MATHS AND COMPUTING COLLEGE

ASPIRE ENJOY ACHIEVE

PRIVATE & CONFIDENTIAL

For the attention of the addressee only

May 2018

Dear Applicant

Teacher of Religious Education, History or Geography, with the ability to contribute to the teaching of another Humanities subject at Key Stage 3

MPR/UPR, PERMANENT, FULL TIME OR PART TIME

Thank you for your interest in the above vacancy at Soar Valley College, which represents a rare opportunity to join our Outstanding school. The advert deliberately covers a wide range of Humanities subjects; the vast majority of our team teach their specialist subject but we are fortunate in having some who are skilled in more than one area and so can be flexible to some extent. This allows us to seek the best candidate from across the three subjects, with the successful applicant being asked to contribute to the teaching of another subject lower down the school.

Applications are welcomed from both experienced and newly qualified teachers. We provide an excellent support and development programme for new teachers, as well as opportunities for those more experienced to further develop in their career.

Please also see additional information in respect of this vacancy on our website which will assist you in completing your application:

- Job Description and Person Specification
- Application form and supporting documents
- Information about the college and subjects.

Completed application forms and supporting letters should be returned to me, via Mrs Smita Stone (SLT PA), on sstone@soarvalley.leicester.sch.uk by 3pm Monday May 21st 2018. We are planning to hold interviews later that same week. I would be grateful if your application could make clear the subjects you are able to offer.

If you would like any further information regarding the post or wish to arrange a visit, please do not hesitate to contact Smita using the contact details above or on 0116 2688441.

Once again thank you for showing an interest in the post and I very much look forward to receiving and reading your application.

Yours faithfully,

Julie Robinson
Principal
