### **SENCo**

**Pay Scale: Inner London MPS or UPR plus S2 SEN allowance (£4116)**

We are seeking to appoint a qualified, experienced and talented SENCo to co-ordinate the provision for our SEND Base students. The school is committed to providing excellent support for students with special educational needs throughout their curriculum experience in order to remove barriers to learning and raise achievement.

Raynes Park High School is a vibrant, student-focussed 11 – 19 secondary school rated “Good” by Ofsted in October 2015. Situated in South West London, there are good transport links and free onsite parking. We foster a strong community and have great pride in our students and their achievements. Whilst the students are at the centre of everything we do, we recognise and value our dedicated and committed staff. We are actively seeking ways to enable our staff to achieve a balance between the exacting demands of their profession and their lives outside work. Above all we aim to ensure that every student is inspired to learn and achieves the best they can as a result of outstanding learning and teaching.

This is a wonderful opportunity to be part of our school at an exciting stage in its development. The SEND Base provides extensive support to our students and the Access Centre specialises in supporting students with Autistic Spectrum Disorder. The Access Centre is led by a highly experienced member of staff and you will work collaboratively although your focus will be on our mainstream SEN students. We are looking forward to appointing an inspiring and organised individual who will continue the outstanding support for the students and contribute substantially to the development of their Department.
