Dear Applicant,

Re: Teacher of Science

Thank you for the interest you have shown in the post of Teacher of Science at Conisborough College. This post is offered on a permanent contract on the Inner London Teachers Pay Spine. I enclose information about the school, a job description and person specification together with an application form. **Applicants should complete the application form available from our advertising websites or our own website – www.conisboroughcollege.co.uk and ensure that all parts of the form are completed. CV's will not be considered.**

Conisborough College is an exciting place to work and has gone through a period of considerable change. In 2009 we moved into a brand new purpose-built site that gives our students access to the very best educational facilities. High quality support and CPD is regularly available from expert colleagues. We are also involved in a partnership with Colfe's, an independent school in Greenwich.

I hope you will be interested in taking your initial enquiries further and look forward to receiving your completed application form, equal opportunities and personal statement which must address the person specification and your reasons for applying for the post.

Applications by email are encouraged and must be sent to recruitment@cc.lewisham.sch.uk by **midday on Monday 18th March 2019**. All applications will be acknowledged by email. If you have not received acknowledgement that your application has been received within two days, of sending it, please contact Conisborough College by telephone on 020 8461 9600.

Interviews will take place on Thursday 21st March 2019. We regret that due to the anticipated interest in this post, we are only able to offer feedback to short-listed candidates.

Yours sincerely
