REIGATE GRAMMAR SCHOOL UK

Reigate Grammar School (RGS-UK) was founded by Alderman Henry Smith in 1675. For over 345 years, young people have been educated on the same site, in the heart of Reigate, an historic market town in the east of Surrey, 15 miles south of the City of London.

RGS is the leading co-educational day school in the UK and was awarded School of the Year by the Tatler in 2020-21. In 2019 it received the prestigious UK Independent School of the Year award for Wellbeing and Pastoral Care. In 2021, RGS was named School of the Year at the UK Social Mobility Awards. The school is a prominent HMC school and Headmaster, Shaun Fenton OBE, was the Chairman of HMC in 2018.

The first line of the school's most recent ISI report asserts that 'the quality of the students' achievements and learning is exceptional'. RGS' approach to teaching and learning melds expert subject knowledge with a modern, innovative approach to pedagogy with a judicious use of technology. Inspirational and personalised teaching and learning is at the centre of the vision and requires expert teachers. The school is one of a small number of world-class schools to have been a global pioneer in High Performance Learning (HPL), focusing on the development of global citizens, advanced performers and enterprising learners.

RGS UK caters for over 1600 students in three schools from ages 2 to 18. Reigate Grammar School (11-18) the senior section, with Reigate St. Mary's and Reigate Chinthurst the junior schools.

REIGATE GRAMMAR SCHOOL INTERNATIONAL

The Board of RGS has committed to the creation of a family of schools across the world and Reigate Grammar School International (RGSi) is the school's commercial arm that is responsible for working with our partners overseas.

Reigate Grammar School International (RGSi) was established in 2016 as a 100% owned subsidiary of Reigate Grammar School with a strategic vision to establish international schools and to provide education consultancy services around the world under licence to Reigate Grammar School. This includes sharing its ethos; pupil welfare and pastoral model; teaching and learning philosophy; curriculum design expertise and operational systems.

This is a notable chapter in Reigate Grammar School's 350-year history. By developing international connections, RGS aims to establish cultural and learning links to provide visit and exchange opportunities for students and staff. Developing international links and perspectives opens up cultural and learning opportunities cross continents. RGSi is firmly established in China and now Vietnam and is currently engaged in projects in the Middle East.

"Central to our ethos is the belief that every child who receives a Reigate Grammar School education is on a journey with noble purpose and will go on to make the world a better place."

**"CENTRAL TO OUR ETHOS IS

Whatever your definition of a fulfilling holiday, Malaysia has all the necessary elements – pristine beaches and breathtaking islands, a rich tapestry of cultures and history, well-preserved heritage treasures, world-class modern facilities, a fascinating collection of flora and fauna, lush and well-maintained nature reserves, a delightful array of mouth-watering cuisine and a long list of shopping hotspots. But do not just take our word for it. Come and discover the many wonders of Malaysia.

Kuala Lumpur, or popularly known as 'KL', is Malaysia's capital city and one of Asia's most dynamic cities. This bustling metropolis is a melting pot of races and cultures, and is home to a population of 3.4 million people. One of the most charming features of this flourishing urban centre is its ability to juxtapose the old and new. Iconic high-rise buildings such as the Petronas Twin Towers and Merdeka 118 stand alongside colonial buildings, creating a delightful contrast. Green-lung areas, upscale shopping malls, themed places of interest and heritage quarters give KL its unique character. Getting around this modern city is convenient with the comprehensive transportation system, along with KL Hop On Hop Off Coach tours, GO KL free bus service and KL City Hall's (DBKL) tram service.

PETRONAS TWIN TOWERS, KLCC

Standing at 451.9 m, the world-renowned Petronas Twin Towers is KLCC's centrepiece and one of the country's most famous icons. The Skybridge on the 41st and 42nd floor doubles up as an excellent viewing platform of the city's skyline. Featuring a futuristic glass-and-steel exterior and a traditionally inspired interior, the 88-storey building reflects Malaysia's aspirations in moving forward while maintaining its national identity and traditional values.

AQUARIA KLCC

Occupying 60,000 sq ft, Aquaria KLCC showcases a variety of marine life from various parts of the world. Visitors can walk through a 90 m long tunnel to view the marine life or watch the daily fish-feeding sessions. Highlights include the 'Cage Rage' and 'Dive with Sharks' programmes that offer a chance to see sharks up close.

KL FOREST ECO-PARK

This sanctuary has the distinction of being the oldest as well as the only permanent forest reserve in the heart of the city. Beginning at the slopes of KL Tower, the lowland dipterocarp forest stretches over 10.5 hectares and is home to a diversity of inhabitants. View the lush foliage from the 70-m boardwalk or join a guided tour to take a closer look at the trees, bamboos, herbs and climbers.

PINTASAN SALOMA (SALOMA BRIDGE)

Saloma Bridge is a 69 m pedestrian bridge that connects the chic KLCC area to Kampung Baru, a heritage zone and popular spot for foodies. All it takes is 15 minutes to get to the other side. This uniquely designed bridge is named in honour of the late Saloma, a singer/actress/fashion icon who was known for her showstopping performances. Its unique design is inspired by Sirih Junjung, a ceremonial betel leaf bouquet used in Malay weddings. Photo buffs will have fun exploring the various angles of this iconic attraction as it is decked with ever-changing LED lights similar to the Bridge of Peace in Tbilisi, Georgia. Get your camera ready for gorgeous OOTD shots! Visitors can access the bridge from the Kampung Baru LRT station or from Public Bank Tower in KLCC.
