Ofsted

Good  
Provider

An Ofsted 'Good' School for students 11 to 18 years

A young boy in a school uniform is looking through a microscope. He is wearing a dark blue suit jacket, a white shirt, and a yellow and blue striped tie. The microscope is a white and black compound microscope with a black base and a white body. The boy is holding the eyepiece with his right hand. The background is a green wall.

## Information about our school

Ernesford Grange Community Academy is a thriving 11-18 school which demands the very best from its students and staff.

In May 2019 we achieved our OFSTED Good status and we are continuing to aspire to excellence for all within our school community.

<http://blog.egacademy.org.uk/>

## Excellence for All

Our vision is to achieve excellence for all with a mission to work together to inspire a learning culture of high expectations with no excuses, where every member of our school community can be proud to belong to Ernesford Grange Community Academy and all students will achieve outcomes which will enable them to succeed in modern society.

## Teaching and Learning

Teaching and Learning is at the heart of everything we do alongside the belief that every child can achieve no matter the barriers.

We have a very firm no excuses culture and have the highest expectations of our young people and our staff. Ernesford is a very collaborative, supportive and inclusive school and it is our wonderful staff who drive the culture of belief in the young people and what they can achieve.

Staff CPD is a key component of our continued improvement in high quality teaching and learning and we invest heavily in this aspect of school life.

## The Sidney Stringer Multi Academy Trust

The SSMAT currently consists of 5 schools; Ernesford Grange Community Academy which is co-located with Riverbank Academy (Special school), Radford Primary, Sidney Stringer Academy and Sidney Stringer Primary Academy. We have some posts working across the MAT as well as a number of MAT training days and MAT social events.

# Why work at Sidney Stringer Multi Academy Trust?

There are many benefits for staff working at Ernesford Grange

- 100% attendance - 1 day off following year
- Staff Development- new leadership challenge programme and subsidies for Masters' degree
- Chromebooks for teaching staff and class sets for lessons
  - Social committee with subsidised events
- Revision sessions paid for (Subject to minimum numbers)
  - Occupational health and counselling support
- £50 a day for taking trips at weekends/ Holidays
  - Cycle to Work Scheme
  - Childcare voucher Scheme
  - Free parking
  - Free Flu jabs
  - Long service awards
- Potential to work across more than one school/phase if appropriate

# The Science Faculty

Ernesford Grange Community Academy is seeking to appoint an outstanding Teacher of Science with the ability to support our science faculty to achieve excellence for all students at all Key Stages.

We are looking for an experienced classroom practitioner who has;

- Integrity, drive and commitment
- Excellent subject knowledge
- An ambitious vision to co-create a science curriculum that will ignite a passion for science amongst our young people
- The ability to lead, support, challenge and inspire our science staff
- A strong classroom presence to achieve high levels of student engagement and progress.

You will be working in a science faculty determined to achieve success for all of our students at a very exciting time in a school that has recently been transformed from Special Measures to Good (OFSTED, May 2019).

Students in Key Stage 3 follow a Scheme of Work that develops deep knowledge and understanding of key concepts. At KS4 we offer combined science GCSE, in addition to the separate sciences using the OCR exam board and entry-level. We offer A-level courses in Biology, Chemistry and Physics.

Students are set by ability for teaching and learning purposes and this is reviewed half termly with individual progress discussed regularly. Students are encouraged to attend our after school classes which include extension and revision sessions.

The Faculty consists of eight specialist teachers, two full time laboratory technicians and allocated classroom support staff. There is support from the Leadership team and a comprehensive CPD programme. The Science staff work area is the 'hub' for sharing good/outstanding resources and each subject area has a well-stocked preparation room.

The curriculum area is very well-resourced with specialist laboratories, each with computer and projection facilities. It is an excellent teaching and learning environment.

## Teacher of Science (MPS) & TLR (for suitable candidate)

Required for September 2020 or earlier if available

Ernesford Grange Community Academy is seeking to appoint an outstanding Science Teacher for its rapidly expanding Science faculty

We are looking for a classroom teacher who has;

- Integrity, drive and commitment
- Excellent subject knowledge
