Dear Candidate,

Thank you for your interest in this post.

We are a Trust of nine schools, all based in South-East London. Whilst each of our schools maintains its individuality, we share a common mission: to ensure that every single child and young person in our care is successful at school so that they can flourish and be successful in their lives.

Having joined the Trust as CEO in September 2020, I am excited by the steps we have taken together and the future ambitions we have set.

We are a Trust with great potential, and three key strategies guide our success – all of these can be found on our website and within this recruitment pack. At the heart of these is our School Improvement Strategy but we know we will not be successful without great people and a secure infrastructure. Therefore, our People Strategy (which includes our EDI and well-being strategy) and our Business Sustainability are integral to our core business.

Our scale of expertise and leadership gives us the capacity to achieve great things. It is this capacity which will allow us to take on new challenges and allow our staff to become the best version of themselves.

We want the best people to join our Haberdashers' community and we are committed to a diverse and inclusive student and staff body. If you are passionate about making a difference and feel that you have the right experience and expertise, I encourage you to apply to join us on our journey.

I look forward to hearing from you.
