Prep School Head of History

Bedford Prep School

Bedford School is one of the region's leading boarding and day schools, educating boys from the ages of 7 to 18. Part of The Harpur Trust, Bedford's leading educational and social welfare charity, we're a vibrant school with a very strong sense of community, set in a beautiful 50-acre estate in the heart of the town. The Prep School is situated in its own part of the Bedford School estate.

We believe that boys learn best when they're happy, confident and their curiosity is stimulated, so we feel it's very important that learning is fun, creative, inspirational and active. We also recognise boys learn differently to girls, and this informs our teaching.

Whether it's music and the arts, science and technology, language and literature, or sports and games, boys are encouraged to learn new skills and embrace new experiences.

Visit our classes and you'll find boys thoroughly engaged in their learning, inspired by challenge, competition, high expectations and risk within a safe environment. Our expectations are high but achievable, and our curriculum encompasses and transcends the National Curriculum, uniting traditional practice with innovative teaching, and the best of the creative and academic.

Our extensive campus offers boys outstanding academic, sporting, music, drama and art facilities. The Prep School shares superb facilities, such as the swimming pool, recreation centre, playing fields, astro and tennis courts with the Upper School and makes use of the school's fantastic theatre and other specialist facilities.

Working with each boy, we help them develop their sporting talents. We provide expert coaching in a wide variety of sports, including rugby, hockey, cricket, golf, skiing, cross country, swimming, badminton and rowing.

Creative arts are a big part of school life, with boys taking part in concerts, exhibitions and performances throughout the year. In our dedicated music building with a state-of-the-art music technology suite and well-equipped practice rooms, many of our boys learn to play one or more instruments.

Boys can also get involved in a wide range of extra-curricular activities, from cookery to steel band, chess to canoe building, there is something for every boy.

The school's ongoing development programme has included the construction of a new Library (2003), Observatory & Planetarium (2003), a new Music School (2006) and a wonderful new theatre in St Luke's Church, on the edge of the estate (2015). Other developments have included renovation of the school dining halls and kitchens (2009), fitness suite (2010), staff common room (2011), sports pavilion (2012) and science department (2015).

The Department

The History Department is located in the Inky Building and the classrooms are well appointed and resourced in terms of technology and learning resources. Boys obtain an excellent grounding in the subject whilst in the Prep School and go on to perform very well as they progress into the Upper School. The boys are taught about the relevance of History to the modern world and the subject is further brought to life with trips and events, which in recent years have included immersing themselves in Tudor History at Kentwell Hall, and enjoying a re-enactment of the Battle of Hastings at Oakham Castle.

The Role

We are looking to appoint a dynamic and enthusiastic teacher to lead the History Department from September 2020 and thoroughly prepare boys for studying History in the Upper School.

You should have a genuine passion for History and a desire to inspire a love of the subject in others. Able to foster a supportive, creative and driven department you should also be eager to develop your own teaching skills and enjoy sharing ideas with colleagues.

Benefits of Service

Bedford School has high expectations of its staff and therefore looks to reward them with generous salary scale increments and beneficial conditions of service. All teachers are offered membership of the Teachers' Pension Scheme and have longer holidays than the maintained sector. Class sizes are small and most teachers have their own classroom. A wide range of opportunities for professional development exist and staff are encouraged to develop their skills and consider career options at all levels. There is ample opportunity to take on additional responsibilities for which there are allowances.

Fee concessions are available across the Harpur Trust schools and a health care scheme is also available for teaching staff.

Bedford is set in beautiful grounds and staff are welcome to make use of the extensive leisure and sporting facilities (which includes gym, swimming pool, tennis courts, squash courts etc.) for themselves and their immediate family.

All staff enjoy free on-site parking. Lunch (of outstanding quality) and free refreshments are available throughout the day; other meals are available according to staff commitments.

Bedford is a dynamic and incredibly rewarding place to work with a strong sense of community.

General Information

Full-time teachers at Bedford are expected to:

- Play a full part in the extensive games and activities programme
- Be a Form tutor

Bedford School is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. Offers of appointment are subject to satisfactory references and DBS clearance and other pre-employment checks.

Staff are normally expected to find their own accommodation, although there may be some school accommodation available in certain circumstances.

Application Process

Applicants are asked to complete the School Application Form; CVs in place of an Application Form cannot be accepted.

Short-listed candidates will be invited to the School for interview on the advertised date. The selection process will involve a lesson observation and interviews.

Jonathan Egan, Deputy Head, would be happy to talk to prospective applicants; he can be contacted through the School Reception on 01234 362200 or by email jegan@bedfordschool.org.uk
