About us

A Message from the Chief Executive

A very warm welcome to Haberdashers' Aske's Federation. We are a growing Multi-Academy Trust of three secondary schools and five primary schools organised as three all-through 3-18 academies and a primary free school:

Haberdashers' Aske's Crayford Academy

Haberdashers' Aske's Knights Academy

Haberdashers' Aske's Hatcham College

Hatcham Temple Grove Free School

Our schools are in the London Boroughs of Lewisham and Bexley and educate over 5,000 children and young people in south-east London. We are opening a new secondary school in the London Borough of Southwark in September 2019. All our schools have a single vision and ethos and are committed to valuing tradition, as well as progress, and promoting excellence in every area of school life, and to ensuring every student in our care fulfils their potential. We have a strong ethos based on mutual respect and responsible behaviour.

Our Principal Sponsors, the Worshipful Company of Haberdashers, take a keen interest in the welfare and progress of our students and are extremely generous with their support and expertise.

Being Part of a Multi Academy Trust

Our Federation brings together primary and secondary schools in an innovative and ambitious way. United by a single Trust Board, Chief Executive, Finance Director and Director of Performance, our three all-through school clusters are autonomous schools with their own Principals and senior leadership teams.

At the same time, links develop at every level and in every area of school life. There are excellent opportunities for sharing resources, learning from each other and student and teacher exchange. To work effectively as a group at this scale, we depend upon effective communication within and between our schools and externally. Improving the effectiveness of our internal and external communications is a key priority of our five-year strategy. This role, reporting to the Director of Performance and the Director of External Affairs, is critical to the success of that goal.

The focus of our strategy is on using communication as a means to delivering our overall aims, which are set out on the next page. For that reason this post brings together responsibilities for communication with overall responsibility for ensuring compliance with our full range internal policies and procedures and statutory requirements.

In both aspects of this role you will need to work with and through others across the organisation. By harnessing the power of key staff and senior leaders in all our schools you will play a key role in helping us achieve our ambitious goals.

Statement of values, aims and ethos

The Haberdashers' Aske's Federation is a Federation of three all-through clusters of primary and secondary schools each at the heart of their community. They share a vision for the education of children and young people built from our values of aspiration and achievement, personal responsibility, self-discipline and mutual respect. We are forward looking and value innovation within the context of our long tradition of providing excellent education. Based upon these values we aim to ensure all the children and young people who come to our schools:

- Are happy and safe at school and are able to learn successfully within a supportive environment
- Are able to achieve their full potential personally, academically and socially
- Develop and grow as independent, resourceful and resilient individuals
- Are equipped with the skills, qualifications and love of learning they will need to be successful in the world they will join as adults

We will achieve these aims by providing a safe environment where all children and young people can succeed through:

- Provision of a curriculum that is stretching, relevant and provides each student with the opportunity to excel
- High expectations of every member of our community
- Excellent teaching, leading to the highest standards of academic excellence
- The best standards of behaviour based upon our values of mutual respect, self-discipline and self-confidence
- A respect for tradition that embraces innovation and challenge

Our Five-Year Strategy

Our five-year strategy for 2018-2023 sets ambitious goals for our Multi-Academy Trust. We want children in our schools to make rapid progress at all stages of their education (primary, secondary and sixth form) compared to their peers in other schools and as a result achieve excellent outcomes in their qualifications. To achieve this our strategy has six priorities:

- To fully align the curriculum and its assessment across our Federation from Year 1 to Year 11
- To establish our Atlas Teaching School as the provider of school improvement services within the Federation and as the provider of first choice in the local area beyond the Federation
- To create a sector leading Analysis and Insight service within the Federation
- To ensure our sixth forms are highly effective and financially viable
- To ensure our communication systems are efficient, reliable and effective
- To ensure our multi-academy trust has the structure to ensure high standards are sustainably delivered
