Hinchley Wood School
Co-educational Comprehensive Secondary, Years 7 - 13
Headteachers – Ms Maria Cachia and Ms Lucy Macdonald

Part of the Hinchley Wood Learning Partnership

December 2023

Dear Applicant

Re: Teacher of Mathematics

To commence May or September 2024 (ideally May)

0.8FTE or full time applications welcome

We are looking to appoint a Teacher of Mathematics to join our strong and thriving Mathematics team who year on year celebrate outstanding results. The successful candidate will be joining a high performing department with 2023 GSCE results in the top 2% of schools nationally for value-added.

Hinchley Wood School is an 'Outstanding' (Ofsted, 2023), inclusive and high achieving school on the borders of South West London. Oversubscribed each year, we have 1,355 students on roll including 253 in our Sixth Form. We are one of the top 100 performing schools in England and Wales in terms of the progress our students make between the end of Key Stage 2 and their GCSEs. Hinchley Wood School has been ranked 18th in the Sunday Times Top Comprehensive Schools (2023). Our Progress 8 figure is significantly positive year on year; +0.9 in 2023 has put us in the top 4% of schools nationally.

You will teach across the age and ability range in our 11-18 co-educational school alongside a supportive, collaborative, committed and experienced team who work hard to deliver innovative and enjoyable lessons. In return for your hard work, you will receive exceptional support and training, and the rewards that come with teaching students who really want to learn and achieve well.

We are extremely proud of our students' academic achievements, but we also celebrate student progress and development in all areas and we enjoy outstanding sporting and creative achievements.

Ofsted Report:

We are proud to report that in October 2023, Hinchley Wood School was graded by Ofsted as 'Outstanding' in all areas. Please click on the links below to read the official Ofsted report and the November Newsletter, which provides a more detailed summary of the feedback the school received.

[Ofsted Report – October 2023](#)

[Hinchley Wood School Newsletter – November 2023](#)

We take staff and student wellbeing seriously and have invested time and money in ensuring that all members of our school feel supported and happy. *"Leaders are considerate of staff workload and well-being."* (Ofsted, 2023).

Testimony from a recent joiner to the Maths team:

"Hinchley Wood has been a lovely place to join - the maths department are so supportive and welcoming. They're always there with an open door and a smile! It's been great working with such passionate teachers who are so willing to share their expertise. I've loved the staff wellbeing clubs that are run, and the variety of extra-curricular opportunities is amazing! It really feels like a community where staff and student are striving towards excellence together."

Examination results for Mathematics are well above national averages and are expected to continue on an upward trend. In summer 2023, 90% of the Year 11 cohort achieved Grade 4+ with 42% at grade 7+. Results

in 2022 included 88% of students achieving A*- C grades with 59% of them gaining an A*- A for Mathematics. More department information can be found on Page 5 and 6.

If you are an outstanding, inspirational and talented teacher with a strong desire to help students of all abilities to achieve the best they can, whilst fulfilling your own potential, then we would be very pleased to hear from you. As well as the opportunity to work in an Ofsted Outstanding school, we offer:

- A competitive salary (London Fringe Pay Scale);
- Professional development support and an extensive CPD programme, which was highly praised by Ofsted: *“Professional development is entirely focused on the individual needs of staff”*;
- Two week Autumn half term and a minimum two week break over the Christmas period;
- Friday afternoon non-contact time;
- Interest free travel/relocation loan; and
- Free use of onsite fitness suite and cycle to work scheme.

We welcome applications from experienced practitioners as well as newly qualified teachers. Ofsted commented on the support given to ECTs stating *“Early career teachers are exceptionally well supported.”* We have a, well-developed programme for ECTs and we believe that Hinchley Wood would be an excellent place to start your career, with benefits including:

- a successful and comprehensive programme of support;
- a ‘golden hello’ in the form of two payments of £1,000 each, following the successful completion of Years 1 and 2 of the ECT induction (paid in September 2024 and 2025);
- a dedicated mentor over the year with regular mentor meetings and coaching;
- a comprehensive induction programme and a wide range of CPD opportunities; and
- a paid induction in July.

Deadline for applications is: Monday 15th January (9am)
Interviews will take place the same week

We welcome early applications and we reserve the right to interview, and appoint prior to the application deadline if we believe that the right candidate has come forward so please do get your application in as soon as you make the decision that Hinchley Wood is the right place for you.

Visits to the school, prior to application, are encouraged and you will be warmly welcomed (Christmas holiday dates are 21st December to 5th January). Please get in touch by contacting the HR department on via email: hr@hinchleywoodschool.co.uk.

We really look forward to hearing from you and meeting you very soon.

Yours faithfully

Lucy Macdonald
Headteacher

Maria Cachia
Headteacher

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. The position advertised is subject to an Enhanced Disclosure and Barring Service Check. Staff and governors have also established a code of conduct, included within this pack, which applies to all members of the school community.

Background Information

Hinchley Wood School, part of the Hinchley Wood Learning Partnership, has a well-established reputation within the area for providing high quality education and excellent public examination results. This success is based on an approach which combines high expectations with sensitivity to students' individual needs.

In October 2023 Ofsted judged the school to be Outstanding, highlighting the strong culture of learning as a key strength:

“There is a strong learning culture across the school. Pupils develop a deep body of knowledge. This is reflected in external examination results, which are consistently well above the national average.”

(Ofsted, October 2023)

In Summer 2023, both GCSE and A Level results were excellent. At GCSE 86% of pupils achieved 5 or more GCSE level grade 4 or above, 85% of students achieved 5 or more GCSEs including at Grade 4 or above in English & Maths. 88% of students achieved at least a Grade 4 in English and Maths. 89% of all grades were Grade 4 or above (68% nationally). 37% of all GCSE grades achieved were grades 7 to 9. 22% of all grades were Grade 8 or 9, and includes 155 Grade 9s, which is 9% of all grades.

At A Level, 36% of all A level grades achieved were at A/A* - matching the 2019 record. 45 A* grades (10% of all entries) – beating the 26 A* grades in 2019. 70% of all grades achieved were at A*-B – matching the 2019 record and 88% of all grades achieved were at A*-C. 99.6% of grades were A – E and overall average point score per entry was 39.9%, equivalent to a Grade B. These excellent results are all the more remarkable given that the DfE and Ofqual wanted a return to pre-pandemic grades meaning grades were expected to be lower than previous years and similar to grades in 2019.

“The curriculum extends beyond the academic and actively fosters pupils’ personal development. Leaders have ensured that all pupils have access to a wide-ranging and rich set of experiences.”

(Ofsted, Oct 2023)

Hinchley Wood Learning Partnership (Multi Academy Trust)

In July 2019 our status changed to become a Multi Academy Trust and the Hinchley Wood Learning Partnership was formed. We welcomed Hinchley Wood Primary School into the Partnership in October 2019 and more recently Thames Ditton Junior School on 1st November 2022. The CEO of HWLP is Ben Bartlett.

HINCHLEY WOOD SCHOOL
INSPIRING LEARNERS

Our Vision

- All students and staff to be happy and proud of being a part of the HWS community;
- A supportive, inclusive, safe, kind and caring school with our HWS values central to all that we do;
- High expectations of all;
- Clear, predictable and fair systems of running the school;
- An exciting and broad curriculum which fosters enthusiastic learning and inspires learners;
- Successful outcomes which allow students to go on and do what they want to do.

Headteachers: Lucy Macdonald and Maria Cachia

Our Values

Our culture is built around our HWS values and ethos which set high expectations for all members of our school community.

“Pupils embrace the school’s values of determination, independence, enthusiasm, confidence and consideration. The curriculum extends beyond the academic and actively fosters pupils’ personal development.” (Ofsted, Oct 2023)

The value that we place on our staff cannot be overstated – they allow this vision to come off the page into reality. Their knowledge, skills and positivity are what makes Hinchley Wood such an excellent and vibrant school. To really see this vision in action take a look at our newsletters on the website and you will see what happens every day in our school – all made possible by staff who are committed and enthusiastic and by students who display positivity, a willingness to learn and try new things. Whatever a child’s strengths, starting points or interests, we aim for them to fulfil their potential, to enjoy school and to know that they are part of a caring community where they matter and where they are valued.

The Mathematics Department

Mathematics at Hinchley Wood School is a strong and thriving department, staffed by highly qualified, professional and caring teachers. As Ofsted stated the department has “Rich subject knowledge, delivered with individual style but common identity.”

Examination results at all levels are well above national averages and are expected to continue on an upward trend. In summer 2023, 90% of the Year 11 cohort achieved Grade 4+ with 42% at grade 7+.

Mathematics is very popular at A-Level where the Edexcel Examining Board provides a specification proven to be accessible to all students on the course. Results are consistently high and students are self-motivated. A-level Mathematics & Further Mathematics are offered in the Sixth form. Results in 2023 included 88% of students achieving A*-C grades with 59% of them gaining an A*-A for Mathematics. The majority of A-Level students proceed to University education, some to follow pure mathematics degrees whilst nearly all have opted for a maths/science based degree; the most popular are engineering, physics, veterinary science, medicine, economics and business.

The Mathematics department is housed in its own suite of classrooms, which are all close to the department’s resource centre and staff room. All staff have their own teaching base and shared office space is available for colleagues to work in a comfortable and informal environment. In addition, all classrooms are equipped with PCs, interactive whiteboards & visualisers. There are many software packages that the department uses to enhance their teaching, and we regularly share resources and good practice.

The department has access to two well-equipped ICT rooms, we also utilise on-line resources such as MyMaths and Mathswatch. We also have a set of Quizdom interactive handsets, used to enhance students' enjoyment of mathematics. We are fortunate to possess a multitude of numeracy resources such as mini-whiteboards, number fans and various number cards, which have all helped with the development of direct interactive teaching.

Students in Year 7 are taught in mixed ability groups and from Year 8 onwards they are taught in ability sets. There are 8 sets in years 8 and 10 sets in years 9-11; this helps to limit class sizes especially for those who find maths more challenging. Students are assessed on a regular basis, and set movements are made accordingly. The emphasis in the department is learning through enjoyable, well-planned lessons. Students are highly motivated and react well to being stretched and challenged. The Ofsted inspector commented particularly on the fact that there was genuine enjoyment from the students to study and learn Maths.

Within the department there is a strong belief that administration should be kept to a minimum. Schemes of work and associated module tests are all up-to-date, fully computerised and compliant to all of the current national guidelines. Department meetings are held approximately every four weeks and are generally used to share good practice in order to improve the teaching and learning that goes on within the classroom. The department has an ethos that teachers should be given time to prepare thought-provoking enjoyable and challenging lessons.

Key Stage 3

Whilst the SATs exams have now ceased to exist, the high standard of results continued last year in the end of KS3 exams. Students are given a starting point which allows us to set each student aspirational targets which they aim towards through Key Stage 3. Using this new tracking system, and regular internal testing, we are confident that our students are making excellent progress.

Key Stage 4

GCSE results last year were again superb with 95% of pupils achieving grade 4+. This was an excellent achievement in a year where National pass marks for Mathematics increased. It illustrates the developments that have taken place within the Department over the last few years. To allow comparisons, Hinchley Wood GCSE results from the last 4 years are shown below:

Grade	2023	2022	2021	2020	2019	2019 National average
9	12%	16%	14%	13%	12%	3%
7+	42%	46%	52%	53%	48%	17%
4+	91%	94%	95%	94%	93%	61%

Key Stage 5

The results in the Sixth Form are well above the national average; we offer Maths and Further Maths. Results from 2022:

Maths			Further Maths		
Grade	2023	National Average	Grade	2023	National Average
A*-A	59%	42%	A*-A	75%	58%
A*-C	88%	76%	A*-C	100%	87%

JOB DESCRIPTION - TEACHER

Line of Responsibility: The teacher is directly responsible to the Head of Department on curriculum matters and the Head of Learning for pastoral issues.

Salary: The post holder will be paid on the appropriate point of the Teacher's Pay Scale.

At the heart of a successful school is the provision of high quality teaching and learning, the effective use of resources, improving standards of achievement for all students and the promotion of students' personal development and well-being through excellent pastoral care. A teacher/tutor plays a key part in this provision by a commitment to the school's ethos, by working effectively in subject and tutor teams and by delivering high standards of teaching and learning and personal care.

Job Purpose

To teach and tutor students across the full age and ability range in order to ensure the highest possible standards of achievement, personal development and well-being. The post holder will continue to meet, maintain, and build upon, as appropriate:

- Teacher Standards
- Induction Standards
- Threshold Standards

All teachers are expected to:

Teaching

- Consistently plan and deliver good lessons taking account of students' prior learning and needs.
- Provide a stimulating classroom/learning environment.
- Work closely with the SEND department to meet the needs of different groups of learners in particular SEN students and those who have been identified as potential high attainers (PHA).
- Use a wide range of resources, including ICT, to good effect.
- Regularly assess and mark students' work in line with the school and departmental feedback policy.
- Give timely, positive, helpful feedback to students.
- Provide intervention for under-performing students.

Tutoring

- Actively monitor student's progress and provide support where needed.
- Encourage students' self-development and personal expression through PSHCE (Personal Development) and tutor time sessions.
- Complete relevant tasks to a high standard, including taking of the register and completion of absence returns.

Professional development and wider contribution to the school community

- Proactively engage in continuous professional development to reflect on and improve your teaching pedagogy.
- Contribute to working groups, Teaching & Learning Forums and initiatives where appropriate.

-
- Participate in arrangements for the professional development and review of own performance and, where appropriate, that of other teachers and support staff.
 - Contribute to the life of the community, particularly by leading and contributing to extra-curricular and enrichment activities.
 - Attend parents' evenings and other meetings/workshops as appropriate.

General well-being /safeguarding

- Adhere to the school code of conduct.
- Promote the safety and well-being of students.
- Register, start lessons and tutor periods on time and purposefully engage students for the duration of the period.
- Commit to safeguarding and promoting the welfare of children and young people.

General

- The post holder is required to support and encourage the school's ethos and its objectives, policies and procedures as agreed by the governing body.
- To uphold the school's policy in respect of child protection matters.
- The postholder may be required to perform any other reasonable tasks after consultation.
- This job description is not necessarily a comprehensive definition of the post. It will be reviewed once a year and it may be subject to modification at any time after consultation with the postholder to meet changing regulations or circumstances.
- All staff members participate in the school's professional development scheme.

- Every Colleagues Matters – a group to represent and discuss staff matters

Job Satisfaction and Progression

HWS has a very good record of staff retention & job enhancement opportunities, we offer a pleasant and supportive working environment and have established excellent staff:student working relationships.

“Relationships forged between staff and pupils are rooted in an atmosphere of mutual support.”(Ofsted, Oct 2023)

To improve working environments for staff we are committed to an on-going programme of investment. Over the last year this has included a rolling programme of classroom and corridor decoration, Premises, ICT and Science Preparation Room and Curriculum offices.

Early Careers Teachers' programme

We have a programme of support for newly qualified teachers, and those in their second year of teaching. This includes regular support meetings, a dedicated mentor, CPD sessions and NQT support network.

Continuous Professional Development

We have an excellent CPD programme and many opportunities in school for staff to extend their professional knowledge and develop their skills. As a result, we have a very good record of staff gaining internal and external promotions and sharing good practice across departments.

There is a warm convivial atmosphere among the staff and mutual support between teaching and associate staff to ensure effective teaching and learning and the best outcomes for our students.

Staff have opportunities to work on cross-curricular projects with students and colleagues, and this is actively encouraged.

Wide range of educational visits and extra-curricular activities

Staff are able to assist on a number of day/residential visits to extend their own experience and support students' personal growth and are encouraged to get involved in extracurricular clubs. These have included:

- Trips as part of curriculum enhancement e.g. New York
- Skiing
- Duke of Edinburgh – Bronze, Silver, Gold
- World Challenge Trips
- Combined Cadet Force
- Various sports clubs including: tennis, hockey, football, rugby, netball and athletics

Secure School Finances

In this time of uncertainty within education, the school is well placed to weather the storm including:

- Robust school finances during a period of much financial uncertainty
- Cost of living pay rise approved each year to date.
- Performance Related Pay outcomes funded.

Part of a growing Multi Academy Trust

- Opportunity to work across different education phases with the Multi-Academy Trust.

Other Benefits include:

- Reduced rates at local service providers.
- Free or heavily subsidised flu vaccinations for all staff.

Extract from the Staff Code of Conduct

Our Code of Conduct sets clear guidance on the standards of conduct and behaviour expected from all staff at Hinchley Wood Learning Partnership (HWLP). The principles underlying the guidance aim to encourage staff to achieve the highest possible standards of behaviour and minimise the risk of inappropriate conduct occurring and to safeguard staff and pupils.

School staff are in a unique position of trust and influence as role models for pupils and other staff. Therefore, all staff must adhere to behaviour that sets a good example to all members of the school community. Staff have an individual responsibility to maintain their reputation and the reputation of the school, both inside and outside working hours and the work setting.

CORE PRINCIPLES

The welfare of pupils is paramount and all staff should always act, and be seen to act, in each child's best interests.

Staff should work, and be seen to work, in an open and transparent way. All staff working within HWLP are responsible for their own actions and behaviour and should avoid any conduct which would lead any reasonable person to question their motivation and intentions.

As part of the School's positive safeguarding culture, staff must have a regard for the need to safeguard children's well-being in accordance with statutory provisions. All staff should know the name of the overall Designated Safeguarding Lead (DSL), and must be familiar with child protection arrangements and understand that they have a responsibility to speak up immediately about safeguarding and welfare matters within the school, and to external agencies where necessary, to safeguard and protect pupils.

PROFESSIONAL BEHAVIOUR AND CONDUCT

- Staff are expected to demonstrate the highest possible standards of personal and professional conduct and behaviour and consistently act with honesty and integrity. Hinchley Wood Learning Partnership expects staff to treat each other, pupils, parents/carers and the members of the wider community with dignity and respect at all times. All staff must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.
- Staff must act in accordance with their duty of care to pupils and ensure that the safety and welfare of pupils are given the highest priority.
- Staff must have regard for the ethos and values of the Hinchley Wood Learning Partnership and must not do or say anything which may bring the School or Trust Board into disrepute.
- Staff should act in accordance with the school's policies and procedures at all times.
