The school enjoys a very good reputation within the community and throughout the county and continues to demonstrate the highest standards of achievement. Much of this success is due to the active partnership of home, school and community, which allows a happy working atmosphere to prevail, where hard work and good behaviour is the expectation. Our students are happy and well-motivated and respectful. To ensure that safer practice in recruitment is reflected at every stage of the recruitment process the school operates within a Safer Recruitment Policy. Members of the school staff and governing body have attended and passed training on Safer Recruitment. - ability to form and maintain appropriate relationships and personal boundaries with children and young people
- emotional resilience in working with challenging behaviours
- attitudes to use of authority and maintaining discipline.
