Dear Prospective Applicant

TEACHER OF FOOD TECHNOLOGY
MPS (Fringe)
PERMANENT/FULL TIME OR PART TIME
REQUIRED FROM SEPTEMBER 2020 / JULY START AVAILABLE FOR NQT

Thank you for your interest in Garth Hill College. We are seeking to appoint an enthusiastic, dedicated and committed classroom practitioner to the post of teacher of food with effect from September 2020. We would consider applications from those looking for a part time position. This is a great opportunity for a newly qualified or experienced teacher.

The department is extremely well resourced. Our **first class food and catering classrooms** are professional standard. Technology is a priority at Garth Hill College - it is one of the reasons that we have 75 minute lessons. Our continued commitment to and investment in this very important subject area is vital to the local and wider community. We work in close partnership with several businesses and organisations to promote STEM and prepare our young people for STEM related careers.

Garth Hill is a 'good' school (OFSTED May 2019). Our last OFSTED report was very positive and all areas were rated 'good' by the inspection team. The inspectors commented on the determination and passion of staff to continue to develop the College. We are excited and confident about the future as we continue our journey to excellence.

Our CPD programme for staff is very strong. An outstanding team of teaching and learning professionals, including Lead Practitioners and Teaching and Learning Coaches, lead whole college and bespoke teacher development programmes. This important area of our work also provides more opportunities for career development for teachers keen to develop and progress in the profession.

Furthermore, our behaviour and inclusion support for pupils is exceptional. There is a very clear and well established behaviour management system with 'send out'. The Behaviour Support Team helps staff and pupils to help resolve any issues that occur and work to ensure that pupils behave impeccably (one of our 'Seven Habits' for pupils). **Centralised detentions help to reduce teacher workload**.

I am fortunate to work with an extremely dedicated team of staff. We are passionate about our pupils' learning, and the Garth Hill community. We seek the very best for our pupils' education and their achievement and we are committed to providing excellent service and care to all of our pupils and their families. We also work in a great learning environment (our school building opened in September 2010) with superb facilities. A new Sixth Form Centre and specialist SEND unit provision (Rise@GHC) opened in 2015.

Finally, we believe that anyone can achieve, and beyond expectation, with relentless dedication, commitment and purposeful hard work. If you possess the qualities listed, have the necessary skills and experience, believe that working with young people is a privilege and are ambitious for the future of Garth Hill College, we welcome your application.
