BRIGHTON COLLEGE

INTERNATIONAL SCHOOL • BANGKOK

IN PARTNERSHIP WITH BRIGHTON COLLEGE, ENGLAND'S INDEPENDENT SCHOOL OF THE YEAR 2019

CURIOSITY | CONFIDENCE | KINDNESS

# WELCOME

We believe in an holistic education - one that is both academically rigorous and provides a broad range of experiences to spark the individual passions of every pupil. We offer a 'compelling' education, one that inspires and motivates, mirroring the excellence pioneered by our sister school in the UK.

We strive for success, whether measured in classroom progress, the exam hall, or through recognition in other fields of endeavour. Nonetheless, to paraphrase a quote from Albert Einstein, we want our pupils to be young people not just of success but also of value. We want them to have a positive impact on the society and environment around them. This is where Brighton College's 'culture of kindness' and sense of social responsibility fit in.

Throughout the College, one sees innovation - an innovative curriculum, imaginative teaching, a willingness to take measured risks and, in doing so, to learn on a journey of continuous improvement. Whilst educational thinking and technology move on, our values remain. Good manners, hard work, respect, confidence without arrogance - these and many other characteristics are part of the DNA that define our community.

Young people learn best when they feel secure and happy, which is why we have developed such strong pastoral care. However, learning may also be most effective at the edge of one's comfort zone. This is why challenge is as important as support, why we expect staff and pupils to aim high.

It is a privilege to be involved in the educational process. The three-way partnership of pupil, school and parent is at the heart of all that we do.

# WELCOME

We are eager to welcome you to our unique school, where there is an intrinsic love of learning, children look forward to coming to school and where we have the privilege to support the children throughout the Prep and Senior schools in their development into young adults, future leaders in a global context.

The importance placed on the holistic development of the children in the care of the Prep and Senior schools is clear, we have kindness at our heart. Every child is treated as an individual in our unparalleled pastoral system. While the excellent facilities provide the opportunity for a range of experiences, children are encouraged to work hard, remain curious in their studies, be creative and really enjoy their education. Children receive recognition for their strengths wherever they may lie and are given the support they need to lift them up, instilling the ambition to reach beyond the limits of any perceived potential.

We encourage you to visit us to see our school for yourself, we look forward to meeting you and your children and sharing firsthand the Brighton College Bangkok experience.

## PREP SCHOOL CURRICULUM

Our Prep School curriculum, for pupils in Years 4-6, inspires and challenges children both within and beyond the classroom.

Uniquely, we introduce specialist teaching in Year 4; at this age, children are ready for this additional rigour and depth, and the passion and knowledge subject specialists bring sparks a broad range of life-long interests.

Based on the English National Curriculum, our teaching also reflects our international location, preparing pupils to be dynamic, curious and passionate young adults.

# Be Academically Ambitious And Intellectually Curious

## SENIOR SCHOOL CURRICULUM

From Year 7 onwards, pupils follow an academically rigorous curriculum, providing the depth of understanding required to prepare them for the challenges of IGCSE qualifications.

In Years 10 and 11, pupils concentrate on the core areas of English Language, English Literature, Mathematics, Physics, Chemistry and Biology, plus four optional IGCSE subjects that reflect their individual strengths, interests and aspirations.

In the Sixth Form, pupils typically choose to concentrate on four subjects to study at A Level as they prepare for university entrance.

“ I chose Brighton for the school’s strong reputation and believe the teachers here provide the same high quality education as they do in the UK. ”

-CURRENT PARENT

# SPECIALIST TEACHING

Expert teachers inspire Prep and Senior Schools children in Science, Computing, Music, Art, Dance, Drama, Design & Technology, PE and more, making the most of our exceptional facilities and innovative learning spaces. Pupils have the choice to learn Thai, Mandarin, French or Spanish in the Prep and Senior Schools, ensuring a strong platform in language learning and an understanding of other cultures.

Be The Best Version Of Yourself

# SPORT FOR ALL

Brighton College Bangkok ensures every child has the opportunity to enjoy a variety of physical and sporting activities, including:

- Swimming
- Football
- Basketball
- Athletics
- Badminton
- Cricket
- Tennis

Specialist teachers train our children to compete regularly against other schools in Thailand and the wider Asia Pacific region.

“ My daughter has flourished with the wide range of opportunities she has been given. ”

-CURRENT PARENT

## THE ARTS

Specialist Art facilities encourage pupils to express their own ideas, experiment with a wide variety of media and materials, and learn from the work of important artists through the ages.

Pupils in the Prep and Senior Schools are given a strong foundation in music and drama, and have the opportunity to perform in the theatre to pupils and parents at regular events.

Pupils can also take advantage of one-to-one tutorial lessons for their preferred instrument in our purpose-built instrumental music rooms.

## SPECIAL EVENTS

Our Prep and Senior Schools pupils are regularly challenged to broaden their horizons with special days and events including Languages Day, Science Week and a Lunar New Year celebration.

We also respectfully celebrate Thai festivals, such as Loy Krathong and Songkran, with parents and guardians welcome to join the festivities in the College.

Be Kind And Make A Difference

## APPLYING FOR A PLACE

If you would like to apply for a place in our Prep and Senior Schools, our Admissions team would be delighted to help with any questions you may have.
