CURIOSITY | CONFIDENCE | KINDNESS

# WELCOME

It is my pleasure to introduce you to Brighton College Bangkok's Pre-Prep. Over the last four years, we have created a warm, nurturing and happy environment for all our community to share and in which to take pride. Working closely with our families, all our pupils are encouraged to be the best version of themselves – pushing their own boundaries to become world citizens of the future.

With strong foundations based on the Brighton College Code of Conduct, our pupils are eager to come to school to learn, to experiment, to question and to play. Ensuring each child has a rich and varied academic experience, pupils develop their knowledge through exciting and individualised teaching catering for each child's individual needs through academic excellence, sport and the arts.

These early steps in a child's education at Brighton College Bangkok are fundamental in building the strong, positive foundations needed to support a pupil through their learning journey at the College and beyond. We provide opportunities for every child to have an enriching, dynamic and academic learning experience.

**HEAD OF PRE-PREP SCHOOL**

“One of the great modern success stories of British education.”

**THE SUNDAY TIMES**

## EARLY YEARS

Our Early Years consists of Pre-Nursery, Nursery and Reception classes, for children aged 2 - 5, taught by a classroom teacher.

As young children learn best through play, our classrooms and outdoor spaces have role-play areas for themed learning, modelled on the developmental needs of every child.

Children are gradually introduced to the Read, Write, Inc. programme in order to develop the foundations of reading, writing and arithmetic.

# Be Academically Ambitious And Intellectually Curious

## UPPER PRE-PREP

Children in the Upper Pre-Prep (Years 1-3) build on the solid foundations of Early Years, enjoying the challenge of developing their phonics into spelling, grammar and punctuation skills. Reading and writing come alive through thematic approaches that continue across subject boundaries.

Maths blends real world experience with problem-solving strategies in order to empower pupils to adapt to new challenges. Science is introduced through enquiry-based learning and practical experiments.

The academic curriculum is enhanced by co-curricular activities and theme days. Residential experiences in Years 2 and 3 help promote independence and a sense of adventure.

“ The Pre-Prep team are absolutely outstanding and provide a fantastic learning environment for the school's youngest pupils. ”

-CURRENT PARENT

# SPECIALIST TEACHING

Expert teachers introduce the children to **Computing, Music, Art, Dance, PE and Swimming**, making the most of our exceptional facilities and learning spaces.

Thai and Mandarin are taught to all children in the Pre-Prep School, ensuring they have an understanding of local culture and a headstart in language learning.

**Be Kind And Make A Difference**

## SPORT FOR ALL

Brighton College Bangkok ensures every child is introduced to a variety of physical and sporting skills, nurturing a love of sport.

Specialist PE and swimming lessons are provided to all pupils in Early Years and the Pre-Prep School, and children are also given their first taste of competitive play. These solid foundations are developed further in the Prep and Senior Schools, where children compete in a range of sports against other schools in Thailand and the wider Asia Pacific region.

“ We are thrilled with our child's development - the school has exceeded our expectations.

-CURRENT PARENT

”

## THE ARTS

Specialist Art facilities encourage pupils to express their own ideas, experiment with a wide variety of media and materials, and learn from the work of important artists through the ages.

Every child in Pre-Prep participates in Music and Dance classes, and has the opportunity to perform in the theatre to pupils and parents at regular events.

Pupils can also take advantage of one-to-one tutorial lessons in our purpose-built instrumental music rooms.

Be The Best Version Of Yourself

## CO-CURRICULAR ACTIVITIES

Our Pre-Prep children are invited to stay for an extra hour after school in order to enjoy a wide range of co-curricular activities. Free clubs include Messy Play, Drawing Club and Tag Rugby, with professional partners offering clubs such as Ballet, Gymnastics and Tennis.

“ My niece and nephew are at Brighton College UK, so we know the family of schools and all about its tremendous success. We are huge fans! ”

- CURRENT PARENT

## APPLYING FOR A PLACE

If you would like to apply for a place in our Pre-Prep School, our Admissions team would be delighted to help with any questions you may have.
