

APPLICATION INFORMATION PACK HEAD OF GIRLS BOARDING

*Home of Well-Rounded Leaders
of the Future*

INTRODUCTION

Thank you for your interest in a teaching position at Regent's International School, Bangkok. We hope that the information you find in our advertisement and this pack will give you a flavour of our school and that this exciting opportunity, professionally and personally, is something you are looking for,

I joined the school as Principal in August 2022 and have been hugely impressed by the professionalism of the staff and the quality of education we provide. Our facilities are well equipped and maintained and we have a thriving school community which enables our students to flourish and grow.

Since my arrival, we have worked as a community to define our purpose and strategic direction. I am confident that, as you find out more about our school, you will learn that we have a close, caring and happy community and that we are united in helping everyone achieve their very best.

Teachers at Regent's are part of an enthusiastic and dedicated team who work well together to create a happy and enjoyable environment for both children and adults. We're committed to the wellbeing of teachers and supporting your development.

We are looking for talented and passionate teachers who are themselves looking for an opportunity to immerse themselves in a culturally rich environment which includes working with boarders and the wider community. In return, we offer a competitive salary and benefits package and the opportunity to develop as a professional.

Please read this information pack and see our website and social media channels for more information. If you would like to find out more about about the school before applying, please contact me or our section Heads for a conversation.

We look forward to receiving your application and learning more about you.

With best wishes

Andy Edmonds
Principal

OUR PHILOSOPHY & OBJECTIVES

We offer a broad, stimulating and enjoyable curriculum which challenges and supports all students irrespective of gender, religion, race or culture.

We offer the best of British education together with modern holistic teaching inspired by the Round Square philosophy, so that our students' educational journey is enriched by global experiences.

With 35 different nationalities here at Regent's, we celebrate our international diversity and create a community through the shared speaking of English.

Ultimately, we believe and uphold the belief that with the right balance of care, guidance and knowledge each child has the ability more than they think they can.

Regent's Graduate Profile

The Regent's graduate is an empowered, life-long learner, driven to achieve their potential. They have the resilience and confidence to overcome challenges. They are emotionally intelligent and fully participate in relationships, employment, neighbourhood and global communities. Above all, they are happy and kind, benefitting from a lifelong association with the Regent's family.

This comes about as a result of:

Students who:

- Are actively engaged in school and make the most of every opportunity
- Welcome the chance to take risks and learn from failure
- Are principled, respectful, honest and show integrity
- Strive to embody the Round Square IDEALS, Discoveries and the IB Learner Profile.

Teachers and support staff who:

- Recognise all students as individuals and care for them
- Support students' passions, talents and personalities, as well as their academic development.
- Have high expectations of themselves and their students.
- Participate fully in the school and find happiness in their work

Parents who:

- Are committed to the Regent's journey
- Encourage their children to flourish creatively, emotionally and academically.
- Are actively engaged in school life and culture
- Communicate effectively as valued members of the school community.

Our Purpose as a School

Vision

To bring out the best
in everyone

Mission

Our mission is to enable all
students to achieve the Regent's
Graduate Profile and for all in our
community to live happy,
meaningful and selfless lives.

We know where we are going and what we are going to achieve

school, locally
and
internationally**

9

**Enrich the
campus
experience**

WHY REGENT'S

Regent's International School, Bangkok and Langsuan Campus offer a multitude of opportunities that, when combined, make it a very special place.

The standard of academia is exceptionally high and is bespoke, tailor-made and the best of British and International education that has earned many of our students places to study at some of the top universities around the world.

Combine this with an extensive co-curricular programme, membership of the global Round Square organisation of schools and unique international opportunities and the end result is one of the best all-around educations available today.

This is all delivered by fully-qualified teachers from the UK, America, Canada, Australia and New Zealand. All teachers understand their role as providers of knowledge that simultaneously ensure that the well-being of each child is their top priority.

The school grounds are home to three onsite buildings. The facilities are extensive to ensure that our students' learning environment is of the highest standard to match their well-rounded learning.

ACCREDITATIONS

Regent's International School, Bangkok and Langsuan Campus are fully accredited by the Council of International Schools. Regent's International School, Rama 9 campus is fully accredited by the International Baccalaureate Organization. School is a member of the International Schools Association, Thailand and Thailand International Schools Activities Committee. School is also a member of the Federation of British International Schools in Asia and is also recognised by the Diplomatic Corps in Thailand for their children.

Regent's is a Global Member of the prestigious Round Square Association, with HM King Constantine, its President, and HRH Prince Andrew as patrons.

All 180 Round Square schools around the world believe it is their obligation to produce well-rounded leaders for our future global community.

ACADEMIC RESULTS

UNIVERSITY GUIDANCE

REGENT'S INTERNATIONAL SCHOOL, BANGKOK

OUR TEACHERS

The quality of our teachers is one of the most important areas of concern for us. We hire experienced and fully qualified teachers from native-English speaking countries: 80% are from the UK, the rest are from America, Australia and New Zealand. They all possess passion, drive, superior knowledge and teaching expertise in their particular field.

Our teaching staff have UK accredited Qualified Teacher Status (QTS). We have rigorous selection procedures and a lower staff turnover than most international schools. All teachers come to us with a variety of personal achievements and interests that add greatly to the breadth and depth of our curriculum.

Being a teacher is more than a job. It is a calling. And our teachers' passion is reflected in how the parents see our school. In fact, a recent parents survey shows that almost 50% of our parents consider the high quality of our teachers to be our key success factor.

CURRICULUM OVERVIEW & LEARNING OBJECTIVES

Regent's International School, Bangkok and Langsuan Campus, one of Thailand's leading international schools, is a day and boarding school for 2 to 18 years old, passionate about developing the whole person through academic, physical, cultural and social experiences. We are guided by the British curriculum from the Early Years Foundation Stage (EYFS) leading to IGCSEs. Post 16 we adopt the IB (International Baccalaureate) Diploma Programme.

Our approach guides students into becoming well-rounded, informed, responsible, principled and confident global citizens. We do this by developing international understanding, empathy and tolerance for all cultures, democratic governance and justice, environmental stewardship, adventure, motivating self-discovery and courage, leadership, with courage and compassion and service to others.

EARLY YEARS CURRICULUM

We believe creative learning is key to a child's healthy development and therefore place emphasis on teaching through active play. Children learn by playing and exploring, being active and through creative and critical thinking, both indoors and outside.

All teachers in Early Years are native English speakers and every class has an additional Teaching Assistant. We follow the English Early Years Foundation Stage Curriculum (EYFS). Our learning community provides a strong start in education, to facilitate the transition into Primary School. We observe each child's progress and work hard to ensure that all children will have made language, literacy and personal development by the end of the Early Years Foundation Stage.

Regent's Early Years is divided into three age groups: Pre-Nursery, Nursery and Reception. The learning is designed around three prime areas: Communication and language, Physical development and personal, social and emotional development, as well as four specific skills areas: Literacy, Mathematics, Understanding the world, Expressive arts and design.

PRIMARY CURRICULUM

At Regent's we are passionate about ensuring each child gets the most out of their education as we strive to create a community of life-long learners. We recognise the importance of the Primary Years as the foundation of their education and believe their time of development and discovery should be inspiring and exciting.

The English National Curriculum is made up of the following academic Key Stages:

- Key Stage 1 (Years 1 - 2 for students aged 4-7 years old)
- Key Stage 2 (Years 3 - 6 for students aged 7-11 years old)

We divide the management of our school into Lower Primary Phase Year 1-3 and Upper Phase Year 4-6.

SECONDARY CURRICULUM

Regent's International School offers a holistic education that places every child at the heart of the curriculum. In order to realise this vision, we provide all students a broad, balanced range of academic subjects that is delivered by experienced international teachers. We also ensure that all students develop their literacy in English. This curriculum is supported by a strong pastoral team as well as a variety of enrichment and extracurricular activities. Our curriculum is based on Key Stages that build on the Primary School curriculum and ensure progression from year to year.

IB

The International Baccalaureate (IB) is a rigorous academic program emphasizing academic achievement, critical thinking, research skills and community service. It has been operating worldwide for almost 30 years and is in place in almost 1500 schools in around 120 countries around the world. The IB Diploma is recognized in virtually every country in the world.

The Diploma Programme encourages students to:

- ask challenging questions
- learn how to learn
- develop a strong sense of their own identity and culture
- develop the ability to communicate with and understand people from other countries and cultures.

BOARDING

The outstanding provision of pastoral care that exists at the Regent's International School, Bangkok puts our boarders at the centre of every decision we make. We appreciate that every boarder comes to us with a different life story and a unique learning journey. To that end, we know that there is no 'one size fits all' solution to the support and care that we give.

The Boarding staff here at Regent's International School, Bangkok feel incredibly lucky to have such a wonderful range of boarding students. Our mixture of nationalities, interests, talents and personalities, combine to make a thriving community that strives for excellence in all that we do. We enjoy being flexible, offering full time and weekly boarding where we provide continuity and stability from which our boarders can access a first class education.

We believe that boarding with us helps students to develop confidence, character and independence, which overtime results in a more mature and open minded individual.

In addition to developing their own characters, after just a short period of time in our boarding community, students gain:

- A sense of and respect for community living.
- A passion for excellence.
- An understanding of a need for balance in mind, body and spirit.

ROUND SQUARE

Regent's is a school of deep beliefs and deeper commitment to our students, teachers and wider community. We frame every lesson taught, decision made and baht spent on how it affects those involved and one of the systems we use to measure this is Round Square.

For over 20 years Regent's has been part of the elite group of schools worldwide and has embedded its holistic ethos into the whole school curriculum. Students that learn at Regent's become part of a community that extends far beyond Thailand allowing them to garner a greater understanding of their place in the world and how they can make changes for the better. They have the opportunity to form relationships with other students that they would not normally meet either virtually or in person. Round Square is an affiliation of over 200 schools around the world all working together in a common goal for the betterment of the students and the world and we are proud to be an active and contributing to that network in our goal to create well rounded leaders of the future. The organisation and its philosophy have evolved from the teachings and beliefs of the renowned educationalist, Kurt Hahn, who famously said, "there is more in you than you think".

LANGSUAN CAMPUS

Regent's International School is launching a new Early Years Campus in Langsuan in August 2022, continuing to Bring Out The Best in Everyone. Regent's International School, Langsuan Campus, continues on Regent's tradition, expertise and teaching excellence with a brand new location in the heart of the city.

This purpose-built, family-friendly school, will open for students in Early Years and Year 1 (from 1 to 6 years). Supported by excellent facilities and based on the English National Curriculum, the school will be staffed by fully trained and qualified native English speaking teachers.

HEAD OF BOARDING

Reporting to:
The Head of Boarding

OUR VISION

To bring out the best in everyone

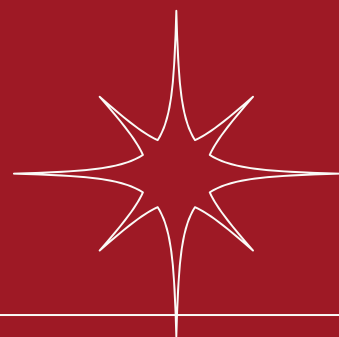

Key roles and Responsibilities

- To ensure that the boarding experience for girls, and their families, enables them to develop as well-rounded individuals and achieve excellent academic results.
- To ensure that the overall pastoral care and supervision of the girls is of a very high standard.
- To contribute to the development of boarding as a member of the boarding team.
- To coordinate and lead the work of the girls boarding house staff.
- To show care, compassion and excellent house-parenting for all boarder, especially in the girls house.
- To lead on and support activities in boarding during the evenings, weekends and half-term breaks.
