

### *CIS MISSION STATEMENT*

*CIS Fredrikstad seeks to give students an international education that promotes the students to become lifelong learners, with a caring attitude, and a respectful approach to different cultures and beliefs.*

*CIS Fredrikstad wants to provide the students with a positive work environment that includes an atmosphere of cooperation and a mutual respect for other individuals' values and ideas.*

*CIS Fredrikstad believes that by providing our students with a unique opportunity and foundation to develop a knowledge and appreciation of music and the arts we can guide our students to become responsible, respectful, and open-minded citizens within a global community.*
