'The Best From All'

Information for Prospective Candidates

**For the post of
ENGLISH TEACHER**

(September 2019)

Dear Potential Candidates

January 2019

Thank you for your interest in this teaching vacancy and I hope that the information contained in this pack helps answer your questions about the post and the academy, and that this leads to an application from you.

The most important thing you need to know is that Warden Park Secondary Academy is a fantastic school to work in! The academy is very well respected in the local community and has a long tradition for excellence and our students' outcomes are very strong. Our students are excellent - generally above average ability on intake they have an excellent work ethic, standards of behaviour are very high and they are enthusiastic in their support of the academy evidenced, for example, by the very high numbers who engage in extra-curricular activities. You will therefore not be surprised to hear that the academy is significantly over-subscribed for the 300 places on offer in Year 7 each year. Places in our excellent SSC which caters for 18 students with Education Health and Care Plans are equally sought after.

I have been in post since September 2017 as Headteacher of the academy which, along with two local primary schools, Warden Park Primary Academy and Northlands Wood Primary, make up the Sussex Learning Trust. The three Headteachers work closely and opportunities for partnership work across the curriculum are evolving as the Trust develops.

There is a strong focus in the academy on developing teacher practice. It is our stated intention to become a research driven learning institution and our professional development is focused on reviewing best practice and carrying out our own research in order to improve the quality of teaching in our classrooms. There is excellent pastoral care in the school coordinated by a very experienced team of Heads of Year and Pastoral Support Officers who contribute to ensuring that, even in a large academy such as ours, every student is known and well-cared for.

Ensuring students leave Year 11 with the best possible GCSE results is a priority for all who work in the academy. In 2018, our Progress 8 score was 0.41 and 57% achieved Grade 5 or above in both English and Maths making Warden Park Secondary Academy one of the highest attaining schools in the county. However, it is also a priority that students leave well-equipped to be successful in the next phase of their learning and, beyond that, to be confident and empowered with the skills and capabilities to go on to be successful employees, citizens, partners and parents. These are equally important outcomes.

The English Department

The English department at Warden Park has been transformed in recent years to be our highest performing core subject. Having achieved the best results the department had seen within the last 10

years in the summer of 2016, and maintaining this high performance in the first round of the new GCSEs in 2017 and again in 2018, we firmly believe we have a team that has the potential to reach beyond outstanding.

The department currently has 14 staff. We have high aspirations for our students as well as our staff, and firmly believe that the school's maxim, 'The Best From All', should be present in all that we do.

The department is well-resourced, being accommodated in eleven classrooms, of which all of the main rooms contain promethean whiteboards. The department has a designated resource room, where staff may work, and socialise during breaks, and which forms a central base for the English teachers. All our students and staff have mini iPads, and wi-fi access is available in all English teaching rooms.

We are developing working links with our partner primary academies, and are working towards more cross-phase work being undertaken on a regular basis.

There is plenty of support available to new staff, both from colleagues and in the form of resources. We believe CPD is invaluable, and are building links with schools in the locality to further develop this. We also ensure Teaching and Learning is at the heart of all we do in the English department, therefore ensuring we offer CPD within our department meetings wherever possible. A generous capitation allowance has also permitted the acquisition of new texts and apps designed to stimulate and enhance students' experience of English across the board.

The Department follows the AQA syllabus for English Language and English Literature. All students take both English Language and English Literature.

English nationally has been undergoing a period of significant change. However, Warden Park's English Department is fully committed to embracing these changes, whatsoever they may be, and adapting to them in the interests of ensuring that all students fulfil their potential in this crucially important subject.
