

## **Subject Lead, Geography - Job Description**

### **To oversee the organisation and delivery of the Geography curriculum.**

- Responsible for leading Teachers of Geography to adapt and review the schemes of work for Geography.
- To positively impact the teaching and learning of Geography lessons. This is to be achieved alongside the Head of Faculty to review and set priorities for T&L within the subject area and supporting staff to develop these areas.
- To lead Teachers of Geography to deliver the fieldwork and extra-curricular activities within the subject, including creating a long term plan of opportunities throughout the curriculum.
- To promote the Geography curriculum across the school, with particular emphasis on transition points to KS4 and KS5.
- To work alongside the Head of Faculty to fully equip and resource the subject area as necessary.

### **To track and monitor outcomes of students in the Geography curriculum.**

- To ensure the recording and monitoring of data pertaining to student outcomes in Geography at all key stages.
- To work alongside the Head of Faculty and the Humanities RSL to identify areas for improvement for student outcomes and play a role in leading Teachers of Geography to improve in these areas.
- To work with other stakeholders, both within the faculty and beyond, to identify barriers to student progress in Geography and create strategies to help students overcome these.

### **To work alongside the Head of Faculty to manage the logistics Geography subject area.**

- To support systems which recognise and promote achievement in Geography.
- To identify areas of concern in regard to student engagement and behaviour and work alongside the Head of Faculty and YPLs to implement strategies that promote positive change.
- To support the Head of Faculty with the line management of Teachers of Geography. As part of this, promoting the DDI and walkthrough coaching process.
- To work closely with the Head of Faculty to review subject priorities and consider these in relation to the school priorities and objectives. Work as part of a team to achieve these priorities and objectives.

Line managed by: Head of Humanities
