Dear Colleague

Thank you for your interest in joining the team at The Hart School.

The Hart School joined Creative Education Trust in September 2013. Working in partnership, The Hart School and the Trust have made much progress in recent years and we were delighted to have been awarded a 'good' judgement from Ofsted in March 2018.

As our academy sponsor, the Creative Education Trust is focused on the quality of the educational experience it provides for students. It believes that creativity is the ability to make new connections between the things we know, and to turn these connections into ideas and practical action. Connecting knowledge needs to be at the heart of education because it is vital to improving standards and will make young people resourceful and employable in tomorrow's knowledge community.

In addition, in joining a growing group of schools, you will have the opportunity to have an impact on how the wider network develops, to collaborate closely with your fellow teaching and support staff and to influence Creative Education Trust's ethos and processes.

The Hart School is an innovative educational establishment and, as such, we provide our students with a learning experience, ensuring that they fulfil their potential. We are focused upon each individual student, guiding them to be the best that they can be and supporting them on their journey to adulthood.

We are looking for ambitious and committed staff who lead by example, help colleagues, have a willingness to develop their leadership skills and encourage students to become leaders themselves.

The pursuit of excellence is demonstrated by an uncompromisingly high drive to succeed and the focus of all staff on the desire to improve teaching and learning within the school.

If you think you have the qualities to help us to achieve our vision, we look forward to receiving your application.

Yours sincerely,

Rachael Sandham
Principal

ABOUT CREATIVE EDUCATION TRUST

Creative Education Trust inspires and enables young people to build successful lives on foundations of learning, resilience and employability. We believe that a rewarding educational experience and the highest possible qualifications are the best way to ensure social mobility for young people.

Creative Education Trust is a growing multi-academy trust educating over 13,000 children in England. It was established in 2010 to work in England's post-industrial cities and coastal towns: areas of economic disadvantage and with a history of academic underachievement. We transform these schools by integrating a knowledge-rich curriculum with skills and creativity.

Creative Education Trust defines creativity as the ability to find connections between the things we know and turn these connections into new ideas and action. The academic arts and the sciences, practical subjects and life skills all need this creativity, and creativity is valued highly by employers. Our staff and expert advisers use imaginative methods for linking knowledge across subject boundaries, fostering personal development and resilience and developing practical skills that prepare students for their transition to adult life and employment.

Our aims for our students are to:

- ★ Raise their attainment in exams and tests through outstanding teaching
- ★ Make them intellectually curious with a sense of confidence
- ★ Increase their participation in HE, FE and apprenticeships
- ★ Ensure they have employable skills and attitudes
- ★ Create rounded individuals through a wide choice of co-curricular activities

We are achieving our aims through:

- ★ Educational rigour
- ★ Organisational effectiveness
- ★ Financial efficiency
- ★ Partnership & recognition of local identity
- ★ Respect for autonomous leadership
- ★ Quality not quantity
- ★ Promoting practical creativity

We are committed to providing our staff with the highest quality support, enabling them to ensure that our students are receiving the education they deserve.

The Hart School places a strong emphasis on CPD, for both teaching staff and support staff alike. We run regular programmes of training events and can also provide focused development and cross-academy opportunities.

For our pupils to achieve to their full potential we know that it is essential that our staff thrive professionally. We value teamwork highly and provide ample opportunities for all our teachers to work collaboratively with their colleagues.
