## From the Principal

Dear Candidate

Thank you for your interest in the post of Teacher of History. This is an exciting opportunity for an enthusiastic and highly committed qualified teacher to embark on a role at Crayford Academy. You will be part of a highly successful History team teaching a popular subject. The post holder will be an innovative and forward looking individual who can inspire students and contribute fully to an active Humanities team. We are looking for an individual who understands that all children are entitled to be successful in this critical area of knowledge. Lessons must be well planned, teaching must be consistently good or better and marking and feedback must be of a very high quality.

Haberdashers' Aske's Crayford Academy is a large all-through school of over 1600 children that takes pride in getting to know pupils and parents; working in partnership to get the best possible academic results for children and providing an education for character that is synonymous with the Haberdashers' ethos. Our school opened in 2009, and our facilities for learning and recreation are first class, purpose built and safe. We provide targeted support and a broad education to enable each and every one of our students to reach their full potential and to grow into well-rounded members of our community. We offer education across all key stages which has consistently been judged 'Good' by Ofsted, most recently in May 2018.

Facilities at the school are first class, from the building itself to the resources which support the delivery of a broad curriculum including an extremely popular and well maintained Learning Resource Centre. Our playing fields, gymnasium, drama theatre and ICT facilities all contribute to ensuring we deliver an education for character, a feature of all Haberdashers' schools that is part of our DNA. Haberdashers' Aske's Crayford Academy is 30 minutes from London Bridge by train and the school's proximity to the capital is a strong factor in enabling teachers to enhance the cultural experience for our pupils through enrichment activities.

The Federation currently comprises three all-through schools and one free primary school, which totals over 5,000 students and 600 staff. The scale of expertise and leadership across our Federation gives us enormous capacity. It is this capacity that has resulted in the success of the Federation, and it is this capacity that allows us to mount new ventures and allows our staff to take on new opportunities and rapid development trajectories.

Our school and our Federation is a uniquely exciting place to be and I hope that you decide to join us in our current phase of rapid development and growth.

Mr Richard Farrow  
Principal

## About the Federation

### A message from the Chief Executive

---

A very warm welcome to Haberdashers' Aske's Federation. We are a Multi-Academy Trust of three secondary schools and five primary schools organised as three all-through 3-18 academies and a primary free school:

Haberdashers' Aske's Crayford Academy

Haberdashers' Aske's Knights Academy

Haberdashers' Aske's Hatcham College

Hatcham Temple Grove Free School

Our schools are in the London Boroughs of Lewisham and Bexley and educate over 5,000 children and young people in south-east London. All our schools have a single vision and ethos and are committed to valuing tradition, as well as progress, and promoting excellence in every area of school life, and to ensuring every student in our care fulfils their potential. We have a strong ethos based on mutual respect and responsible behaviour.

Our Principal Sponsors, the Worshipful Company of Haberdashers, take a keen interest in the welfare and progress of our students and are extremely generous with their support and expertise.

### Being part of a Multi Academy Trust

---

Our Federation brings together primary and secondary schools in an innovative and ambitious way. United by a single Trust Board, Chief Executive, Finance Director and Director of Performance, our three all-through school clusters are autonomous schools with their own Principals and senior leadership teams.

At the same time, links develop at every level and in every area of school life. There are excellent opportunities for sharing resources, learning from each other and student and teacher exchange. The Federation is at the cutting edge of national educational initiatives, committed to research and development and to adopting creative solutions that will benefit all students.

All our students are inspired to reach their full potential, no matter their ability or background; aspirations and achievements are constantly raised; the improvement of standards reflects the needs of the local and wider communities, through the highest quality academic, personal and vocational teaching and guidance. We build on the strengths and experiences of our schools so that our students become independent learners, fully equipped for the opportunities, challenges and responsibilities of adult life in the 21st century and well prepared to be the leaders, professionals and parents of tomorrow.

## Our Vision

The Haberdashers' Aske's Federation is a Federation of three all-through academies, each at the heart of their community that share a vision for the education of children and young people. Our vision is built from our values of aspiration and achievement, personal responsibility, self-discipline and mutual respect. We are forward-looking and value innovation within the context of our long tradition of providing excellent education. Based upon these values we aim to ensure all the children and young people who come to our schools:

- are happy and safe at school and are able to learn successfully within a supportive environment.
- are able to achieve their full potential personally, academically and socially.
- develop and grow as independent, resourceful and resilient individuals.
- are equipped with the skills, qualifications and love of learning they will need to be successful in the world they will join as adults.

“We are forward-looking and value innovation within the context of our long tradition of providing excellent education.”

We will achieve these aims by providing a safe environment where all children and young people can succeed through:

- Provision of a curriculum that is stretching, relevant and provides each student with the opportunity to excel.
- High expectations of every member of our community.
- Excellent teaching, leading to the highest standards of academic excellence.
- The best standards of behaviour based upon our values of mutual respect, self-discipline and self-confidence.
- A respect for tradition that embraces innovation and challenge.
