Dear Applicant

Subject: Appointment of Teacher of Maths to Vyners School

Thank you for your interest in the post of Teacher of Maths at Vyners School, an exciting, dynamic and fulfilling place to work. There will be opportunities to teach Maths up to A Level for a suitably qualified candidate.

We are seeking to appoint a Teacher with the vision and expertise to work within an exciting department to further drive up standards, who possesses energy, enthusiasm and character to enthuse staff and students through the next stages of the department and school's development. The successful candidate will have a passion for the subject, a love of the learning process and a desire to make a real difference to the lives of the young people at Vyners.

There is a clear vision in place of what we need to do to help Vyners fulfil its potential. I have been fortunate to inherit a very strong team of staff and I am excited at the prospect of strengthening it further through this appointment. Our aim is simple: *we want to be a great school in every sense of the word and we want to be confident that, 'hand on heart', 100% of our students get a better deal here than they would in any other school.'*

Included in this pack you will find the following details:-

- Application Form
- Guidance on how to apply
- Further information about the school and department
- Job Description and Person Specification

Before you apply for this post please read the guidance carefully. You will find information on how to apply, together with the key dates in the selection process. Please ensure you respond in accordance with the instructions as the process has been designed to collate and assess the information in such a manner as to make a review of candidates' submissions fair and manageable. Your supporting letter should not exceed two sides of A4 paper and should focus on your own educational philosophy, the skills you have developed, your experiences as both a teacher and leader and what you can offer to Vyners to support us on our journey to becoming an outstanding school.
