London East Alternative Provision (LEAP) is a highly-successful, high-achieving, inner-city school, delivering transformative education to young people of all ages from Primary through to post-16.

From September 2023, we expect to be providing education to at least 230 students across the full age range from Primary to Post-16 across three separate sites.

This is a particularly exciting time to be joining our team - as we increase the number of our provisions across the borough of Tower Hamlets by opening our new satellite centre in the heart of the Isle of Dogs and expand our already very high-functioning team of teachers and support staff.

Applications are invited from talented, hard-working and committed individuals for the post of English teacher at our school. The successful applicant will be able to demonstrate a strong commitment to the LEAP aims, values and ethos and a proven track record of delivering excellent outcomes for students, including those with complex behavioural needs.

We are looking for a dynamic, committed specialist with an in-depth understanding of all aspects of the GCSE English curriculum. The ideal candidate will have a proven academic knowledge of the subject and a talent for engaging students' interest and involvement in its study.

Our students all come to us keen to improve their performance in English. We naturally want them to do well in their exams – however, we also want them to develop the best possible communication skills, as part of preparing them as well as we can for adult life.

So, they need a teacher who can both facilitate their progress and support them with their complex behaviour and learning needs.

If that sounds like you then we would love for you to apply.

Closing date: Tuesday 25th April at 9am
Interviews: Week beginning 2nd May

Please return your application form by no later than 9am on Tuesday 2nd May to Kathryn Ryan, our School Business Manager. kathryn.ryan@londoneastap.org.uk

Should you wish to visit our school before deciding whether or not to apply, you will be most welcome. Visits also can be arranged by emailing Kathryn.

London East Alternative Provision is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

All successful candidates will be required to undergo safer recruitment checks, including an enhanced DBS disclosure and Barred List Checks.
