## Media Studies at Laurus

Media Studies is a well-established and highly successful subject here at CHHS, it is taught at both Key Stage 4 and 5, with us offering it at GCSE (eduqas), A. Level (eduqas) and Level 2 BTEC Tech Award in Creative Media Production (KS4).

Students have access to excellent production equipment to support and enhance outstanding learning, through two dedicated media teaching rooms each complete with iMacs and Adobe Creative suite. The department is also equipped with Digital SLR's and various other equipment to aid the teaching and learning of the subject.

We have a longstanding reputation for providing excellent Media education and student uptake at key stage 4 and 5 is high. Media results have year on year been outstanding with students consistently achieving 95% + A\* - C and with 50% achieving A-A\* at GCSE and 100% A\*-C at A. Level. A large percentage of students exceed target grades, especially at BTEC Level and students achieve above national average year after year.
