March 2017

Dear Applicant,

Appointment of Head Teacher

Thank you for expressing an interest in the post of Head Teacher of Aldercar High School. The Governors are looking for an outstanding candidate to continue the improvements made in the previous couple of years and to lead the school to good and onwards to outstanding. Recently the school has undergone significant change, including a full restructure of staffing and a re-design of the curriculum, in order to address the new requirements of measuring school and student performance. Phase one of our new build was completed in September which provides our students with a fantastic learning environment and work has now commenced on phase two, with a scheduled completion date of December 2017. Other changes include a new vertical house-based pastoral system and a change to the uniform.

As a result of all these improvements we believe this is a wonderful opportunity for the new Head Teacher, with full support of the Governing Body, to grow the school and continue this good progress in order to provide our students with an outstanding quality of education. If you have the vision and commitment required to inspire and motivate both our young people and staff, the passion to keep students at the heart of all decisions, plus the outstanding leadership and interpersonal skills needed to drive the school forward, the Governing Body would be very interested to hear from you and would look forward to considering your application.

I do hope that you will visit our school. You will be assured of a warm welcome and the opportunity to see in person what life at Aldercar is all about. Visits to the school can be arranged by contacting Emma Kearon, PA to Senior Leadership on 01773 712477.

May I remind you that the closing date for completed applications is Sunday 23rd April and interviews are scheduled for the 17th to 19th May.

Kind regards

James Shephard
Chair of Governors
