Headteacher: Ms Sam Adcock (MA)

Deputy: Mrs Joanna Jordan

April 2017

Dear Applicant,

I am thrilled that you have chosen to apply for a teaching position at this school. St Peter's is a fantastic place to work – the teachers, teaching assistants and all other members of staff work well together to form a friendly and supportive team that is committed to ensuring all children achieve their best. Our experienced teaching assistants provide much needed help within classes as well as delivering intervention programmes to groups of children. Everyone supports each other in all sorts of ways, whether sharing ideas, discussing planning or just being a friend.

St Peter's is a small multicultural school of 210 pupils in Westminster. The children come from a range of social and economic backgrounds and the majority live within walking distance to the school. St Peter's is a very popular school within the area. Parents and governors are very supportive and the school is highly regarded in the community.

St Peter's is a successful, Rights Respecting school and we have recently been awarded the Equalities Award for our inclusive practice. Children are at the heart of the school ethos.

Maths, English, and Science are important in the curriculum, however we are also dedicated to providing children with a rich variety of opportunities across all subjects. We are particularly keen to develop the arts and creativity. We have recently introduced the International Primary Curriculum (IPC) to provide creative opportunities for cross-curricular links, as well as an international perspective.

We are committed to high standards and we never make excuses for children. We find St Peter's children work hard and enjoy being challenged. It is a real joy to work with children who are self-motivated, enjoy each other's company and are a delight to teach. Likewise, the staff at St Peter's work extremely hard and are all prepared to go the extra mile. Our last Ofsted report in 2014 was good, and we are now striving for outstanding.

Everybody at St Peter's feels valued and enjoys working in a happy and supportive environment. Furthermore we are all very proud of the secure, stimulating environment we provide and we are looking forward to someone new helping the school move forward in our aims for achieving excellence.

I am very much looking forward to meeting you and I am sure you will be impressed with our school. If you have any questions you would like to ask please don't hesitate to ring me.

Yours Sincerely

**Ms Sam Adcock**
