

Teacher of PE

Responsible to: Lead Teacher for PE

Purpose

- To be responsible for the delivery of PE lessons in both Secondary and Primary phases of the school
- To work collaboratively with other teachers within the school
- To implement school policies and procedures as appropriate

Teaching and Learning

- To teach good or better lessons
- Identify areas for improvement and develop strategies to address these
- Ensure all learners can understand their role in successful learning
- Develop strategies for motivating and encouraging learners to participate fully in the learning process
- Follow target setting, tracking and assessment processes in line with whole school policy
- Encourage, develop and support cross curriculum links

General

- Play a full part in the life of the school community; support the school's priorities and ethos and encourage staff and students to follow this example
- Show a commitment to the enrichment programme
- Undertake an appropriate programme of teaching, and classroom support where needed, as per the teacher job description.
- Undertake personal professional development activities, as agreed with the Principal
- Attend parental consultation evenings, open evenings and celebration evenings as per the school calendar
- Undertake duties as per the published rota
- Undertake any other responsibilities as reasonably requested by the Principal
