June 2017

Teaching at Donnington Primary School

Your interest in teaching at Donnington Primary School is welcome. Donnington is a one form entry school located in Brent, where Willesden Green, Kensal Rise and Harlesden meet. Our children come from diverse backgrounds and this diversity brings a rich heritage to the school. Our parent /carer community is supportive and committed to their children doing well. The PSA is active and raises substantial sums for a small school which allows teachers to extend opportunities for learning outside the classroom and the school.

We are a popular and oversubscribed school. We have vacancies in classroom teaching and in PPA/support roles from September 2017 due to promotion and relocation. Please refer to the job description and person specification to see what characteristics and experience the school is looking for to support you in being an effective and excellent teacher. An exceptional NQT would be considered.

The class teacher role will be in KS1 and KS2. The PPA / Intervention role is PPA responsibility for agreed subjects across the school and you will make your own mark through planning and assessment for the classes you have. There will also be the opportunity to provide intervention support to small groups and individual children to help them meet their greatest potential.

Both roles, class teacher or PPA / Interventions teacher, will also give you the opportunity to lead a curriculum area across the school so you will soon become well informed about the school, our pupils and your colleagues. This will play to your own strengths and interests.

Please be sure to indicate on your application form the position for which you are applying. You need to address the points in the person specification and note that CVs will not be accepted.

There is more information about the school on our website and visits are welcome and encouraged. Please contact the school office (Tel: 020 8451 0761 or email hr@donnington.brent.sch.uk) to agree a day and time. The Governors, staff, children and their families are proud of our school. Successful candidates will be made welcome as a member of our staff team.

Yours faithfully

Kevin Minns
