Dear Applicant,

Welcome to Calow Church of England Primary School and thank you for your interest in our Headteacher post.

We wish to appoint to the headship someone who will maintain the present ethos of the school, provide a high standard of leadership, develop the school's present strengths and successes and encourage and support all staff in a considerate and caring way. We had an outstanding 'Investors in People' report receiving a Bronze accreditation and to further develop the Governors' commitment to pupils and staff we have invested in the NAHT Aspire Programme.

We value our close links with the local community and church. Our Vicar plays an active role in collective worship and is a member of the Governing Body. The school was recently awarded the R.E Gold Quality Mark. The school has both an active School Council and Parent-Teacher Association, both of which make a valuable contribution to school life.

The school places high importance on the health and wellbeing of the children and has achieved National Healthy School Status and the International Eco Schools Green Flag. Everyone here is committed to ensuring that the children in our care feel safe and are allowed and encouraged to flourish. Calow Church of England Primary School offers the successful applicant a great opportunity to make a real contribution to the lives of all who are part of it.

We hope that you will be interested in applying for the post of Headteacher at our school and would be pleased to show you around if you would like a preliminary visit.

Yours faithfully,

Catherine Winter

Catherine Winter
Chair of Governors
