Helen Brough

Chair of Governing Body

Highfurlong School

Highfurlong School is a happy, effective, well run, and well organised special school with provision for pupils aged 2-19 years with a wide range of additional needs. Due to the retirement of the current Headteacher the Governors can now offer an exciting opportunity to lead this three times outstanding school on to even more success.

The school has a dedicated team of hardworking staff and a driven governing body committed to the teaching and learning of our very special children and young people. We require a passionate leader to work with our two experienced Assistant Head Teachers and our highly skilled staff.

The ideal candidate is inspirational, creative, and has experience of working with pupils with a wide range of special educational needs, including vulnerable pupils. We seek a candidate with good communication skills who is a supportive and motivating leader. The successful leader will be committed to our ethos of "Inspire, Challenge, Believe", and will work tirelessly to ensure that all our children and young people are able to be the very best they possibly can be.

We welcome applications from candidates in the senior leadership sector who meet the job description, person specification, and are enthusiastic at the prospect of leading this school on to further successes.

Staff, students, and governors are proud of the school and we are confident you will be inspired and excited by what you will see and experience.

Sincerely yours,

Mrs Helen Brough
