

KING'S COLLEGE SCHOOL WIMBLEDON

SOLUTION ARCHITECT
(one year, fixed-term)

WELCOME TO KING'S COLLEGE SCHOOL

Thank you for your interest in joining our school community.

King's is one of the most successful schools in the world, and our community is a special place to teach, work and learn. Educating over 1,500 pupils, we currently welcome boys aged 7-18 and girls aged 16-18, and we are excited to be extending co-education throughout the King's community from 2029. Our pupils are curious, creative and eager to learn, and the dedication, expertise, and care of our staff lie at the foundation of everything we do. Located in a peaceful part of London, opposite 1,140 acres of countryside offered by Wimbledon and Putney Commons, within minutes of central London and just a short walk from Wimbledon Village and the home of lawn tennis, we are fortunate to enjoy a green and well-resourced campus.

Our school was founded in 1829 by Royal Charter as the junior department of the university, King's College London, and as such, intellectual aspiration and a progressive spirit are our heritage. Today, we offer an education of the whole person, in Mind, Spirit and Heart, the enduring ethos of our foundation. Our guiding mission is to look outwards, to the world beyond school, and to life at 25: we look to the lives we are preparing our young people to lead, so that when the time comes, they are ready to forge the pathway they choose, and to make a purposeful impact in the world.

We aim for each of our pupils to enjoy an exhilarating adventure of learning and to pursue academic excellence within a fun, caring, welcoming environment. Academic outcomes at A level, IB and GCSE consistently place King's amongst the very top schools nationally and globally, with over half of A level and IB grades at A* or equivalent last summer, and we were delighted to be the highest placed independent co-educational day school and Independent International Baccalaureate School of the Year in The Sunday Times Parent Power 2025.

Supporting our pupils to grow strong in spirit, in the shared values and qualities of character that will ground them, is equally important at King's. Kindness, respect and support for one another, a broad-minded outlook and a commitment to ensuring that ours is a community where each individual feels that they can belong, are central to our ethos. Likewise, we share a deep commitment to the co-curriculum, which enables our pupils to develop broad skills and resilience as well as to discover lifelong passions through clubs and societies, CCF, Duke of Edinburgh, sport, the arts, and community partnerships.

The next few years represent an exciting time for King's as we embark upon the next chapter of the school's development and prepare to enter our third century in 2029. Over the coming decade, we are extending co-education throughout King's so that any young person will have the opportunity to flourish here. With the relocation of our Junior School to a new world-class campus on The Downs, we plan to transform our main campus over the coming years, further enhancing our facilities to extend the opportunities on offer to our pupils and communities. Likewise, as the world changes around us, we are constantly considering how we can best enable our pupils to create their futures. We hope you consider joining us for this adventure.

THE ROLE

Reporting to : Director of People

King's College School is undertaking a critical transformation of its people systems, migrating from a legacy, fragmented estate (Schoolbase/Chris21) to a unified, fully managed HR & Payroll solution. We are seeking a pragmatic and experienced Solution Architect to lead the technical delivery of this migration.

This is not just a design role; it is a delivery role. You will bridge the gap between HR requirements and IT operations, ensuring that the new system acts as the "Golden Source" for staff data. You will lead the data migration strategy, design the integration with our IT estate (Active Directory/Entra ID), and retire legacy manual processes.

Key Responsibilities:

Systems architecture and integration design

- Define the "To-Be" architecture for the new HR/ Payroll landscape, ensuring seamless integration with the existing School Management System (Schoolbase) and Finance systems.
- Design and document the Joiners, Movers, and Leavers (JML) process, automating the flow of data from HR to IT (Active Directory/Entra ID) to eliminate manual account provisioning.
- Create detailed High-Level Designs (HLDs) and Interface Specifications (API/SFTP) for vendor implementation.

- Design secure, well-structured data flows across School Management System, HR & Payroll System, Active Directory, and other school systems.
- Define integration patterns (API-based real-time & event-driven) that support reliability and operational efficiency.
- Design and deliver robust, API-driven integrations that connect new and existing systems without disrupting mission-critical school operations, ensuring continuity of workflows, data integrity, and minimal user impact.
- Take responsibility for end-to-end design, development, testing, and deployment of integrations for the HR and Payroll system implementation, ensuring accurate data flows, secure interfaces, and alignment with statutory, operational, and audit requirements.

Data architecture oversight

- Provide architectural oversight to ensure data-migration activities follow agreed standards, align with target architecture.
- Identify structural risks and inconsistencies in the current multi-system data environment and ensure the future architecture eliminates the root causes of issues

Governance and security

- Ensure the new architecture adheres to Zero Trust principles, specifically regarding Role-Based Access Control (RBAC) and sensitive data handling (GDPR).

THE ROLE (continued)

- Act as the technical authority in vendor workshops, challenging their technical assumptions and ensuring their solution fits the School's digital estate.

Transition and Decommissioning

- Plan the decommissioning of legacy data silos, ensuring historical data is archived or retained in compliance with statutory retention periods.
- Assist the Business Analyst and IT Team in translating complex technical constraints into clear decisions for the Senior Leadership Team.
- Produce comprehensive technical documentation covering integration designs, data mappings, system architectures, and configuration decisions, ensuring a smooth handover for ongoing maintenance, support, and future scalability.

Person Specification

Essential skills

- Proven experience leading HR/Payroll system migrations (e.g., iTrent, Ciphre, Workday) in a complex environment.
- Deep understanding of Identity Management: Experience automating user provisioning from HR systems into Active Directory/Azure Entra ID.

- Strong Data Migration skills: Advanced SQL and Excel skills, with the ability to map complex legacy schemas to modern APIs.
- Integration Expertise: Experience designing REST API and flat-file (CSV/XML) integrations between SaaS platforms and on-premise systems.
- Pragmatism: Ability to balance "perfect architecture" with the constraints of a 12-month fixed deadline and vendor capabilities.

Desirable skills

- Experience within the Education sector (understanding of Schoolbase, ISAMS, or similar MIS).
- Knowledge of Power Platform (Power Automate/Logic Apps) for lightweight integration workflows.
- Understanding of wider data analytics (Power BI) for future HR reporting.

TERMS & CONDITIONS

- Required as soon as possible
- Fixed-term contract, one year
- Full time (40 hours per week)
- Salary: £81,000

HOW TO APPLY

Closing date: Monday 2nd March 2026 at 9am

WORKING AT KING'S

Our staff community is welcoming, energetic and vibrant. Within a well-established atmosphere of kindness, cooperation and trust, there is a “can-do” attitude, coupled with high levels of emotional intelligence, good humour and mutual support. The school's reputation for academic excellence and strong pastoral care is built on the dedication and skills of every member of staff.

Professional services staff at King's maintain high professional standards. They work within clearly structured departments but also collaboratively with other departments and with teaching staff. There are termly meetings for the whole support staff, which are complemented by bespoke training sessions. Individual staff members who wish to enhance their professional development are supported.

Whilst there are high expectations of support staff, they receive rewards for their efforts:

- Competitive salaries well above London and national averages
- 25 days' holiday per annum plus English statutory public holidays – 33 days in total (pro rata, where relevant)
- Contributory support staff pension scheme – employees are eligible to join after 3 months' service with a 10% employer contribution / 5%

employee contribution

- Access to BUPA and Aviva employee assistance programmes, and the BUPA healthcare cash plan
- Free use of the King's Club, including access to the swimming pool, gym, tennis/squash courts and group exercise classes
- Free lunch, tea, coffee and other refreshments during term time
- Shuttle buses from Wimbledon station
- Cycle to work scheme
- Fee remission for children of staff (subject to the usual entry requirements and space being available), pro-rata based on hours and weeks worked
- Invitations to school productions, concerts and events during the year

WORKING AT KING'S - STAFF PROFILES

"Since joining King's in 2019, I can say that this is a fantastic school that supports staff, as well as students to their highest standard. There have been many opportunities for me to grow within the IT department. Everyone I have come across at King's has been extremely helpful and welcoming. I feel honoured to work here"

- Mr Dixon
IT Helpdesk Manager

"My experience of working at King's has been overwhelmingly positive. It is a beautiful place to work, but it is the people who really make it special. I have found all of the staff to be warm, friendly and incredibly aspirational for the pupils and the school."

- Mrs Beverley Hunter
Bursaries and Access Officer

"Joining King's in 2006, my role as team leader, Science Department, is to oversee the operational functioning of the laboratories. As a team of six technicians our primary remit is to deliver a range of practicals to support teaching excellence across all science disciplines. My career at King's has been rewarding in so many ways but a particular highlight has been the re-design of a modern, multi-functional central prep room - this has transformed the way the team communicate, share our varied skills and manage a busy workload."

- Mrs Danckwerts
Team Leader - Science Technicians

"I've been working at King's College School since 2016. It is an outstanding school that offers our students so many opportunities. Working at King's College School is a great opportunity to gain experience, meet wonderful people and expand your horizons to the world."

- Mr Laska
Porter

SAFEGUARDING AT KING'S

At King's, we recognise our moral and statutory responsibility to safeguard and promote the welfare of all pupils.

We make every effort to provide an environment in which children and adults feel safe, secure, valued and respected, and feel confident to talk if they are worried, believing they will be effectively listened to.

We are alert to the signs of abuse, neglect and exploitation, and follow our procedures to ensure that children receive effective support and protection. Child protection forms part of the school's safeguarding responsibilities.

We follow the Merton Children's Safeguarding Partnership procedures and have several policies and procedures in place which contribute to our safeguarding commitment, including our Child Protection & Safeguarding Policy. A copy of this policy is available on our school website: <https://www.kcs.org.uk/safeguarding-at-kings>. The purpose of this policy is to provide staff, volunteers, and governors with the framework they need in order to keep children safe and secure in our school. The policy also informs parents and carers about how we will safeguard their children whilst they are in our care.

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff, governors and volunteers to share this commitment. Those applying to work at King's will be required to undergo rigorous child protection screening; pre-employment checks include (as relevant to the role and individual):

- past employers (references will be requested for shortlisted candidates prior to interview in line with **Keeping Children Safe in Education**)
- the Disclosure and Barring Service (including a barred list check)
- a prohibition from teaching check
- a Section 128 check (prohibition from management or governance)
- identity checks
- right to work checks
- overseas checks
- verification of qualifications and/or professional status
- fitness to work checks

This post is exempt from the Rehabilitation of Offenders Act (ROA) 1974.

INCLUSION AT KING'S

King's aims to be a diverse and equitable environment where all staff and pupils feel they belong. The community aims to foster an ethos of social awareness and respect for difference, creating a welcoming and inclusive culture where every member of our community is valued and respected as their authentic self, regardless of difference. Establishing this sense of belonging and community is central to the ethos of King's and is outlined in the 'Inclusivity at King's' statement.

The school has developed a comprehensive equality, diversity and inclusion (EDI) programme that spans all areas of school life, including our wider school community. Our director of EDI oversees our work in this crucial area, working closely with our EDI mentors who support pupils around issues including sexuality, gender and race.

There are a wide range of thriving pupil advocacy and discussion groups who meet regularly, including our African Caribbean society, our East and South-East Asian society, our Pride group, our neurodiversity society, our interfaith discussion group and Her'd, our group for girls. Alongside this, the school holds regular talks and workshops on EDI topics to ensure that inclusivity remains a central part of the daily life at school and is at the heart of all that we do.

Further information about equality, diversity and inclusivity at King's is available on our website at <https://www.kcs.org.uk/equality-diversity-and-inclusivity-at-kings>

King's College School is fully committed to the principles of equality, diversity and inclusivity in its recruitment of teaching and support staff.

If you have any support requirements that require adjustments to be made during the recruitment process, please let us know in advance so that any support, aids or adaptations can be put in place to assist you. Examples can include, but are not limited to, a request for extra time, a wheelchair accessible interview room or alternative format of assessment papers such as audible, Braille or large print versions.

LIVING AND WORKING IN WIMBLEDON

Wimbledon is famous for its annual Grand Slam tennis tournament, but that is not the only thing that makes living and working in Wimbledon an attractive proposition.

The area is one of the safest parts of London and provides a wonderful mix of town and village life. The streets are bustling and lined with bars, restaurants and shops and the charming children's Polka Theatre is situated in the centre of Wimbledon. King's is located on the edge of Wimbledon Common, at the beginning of one of the largest areas of green, recreational space in the whole of London. The Common, which extends to Richmond Park, is home to a 19th century windmill and an Iron Age fort.

One of the best things about working in Wimbledon is its connectivity. Wimbledon station is located in zone 3, approximately 10 minutes from Clapham Junction and 20 minutes from London Waterloo. There are regular trains to numerous destinations, including Kingston, Epsom and Richmond. Wimbledon can also be reached by tube, via the District line, and by tram, which connects to places such as Croydon and Beckenham. King's is also in a convenient location for road users, with its proximity to the A3 providing an excellent link to the M25. There is a morning shuttle bus for staff which runs from Wimbledon Station to the school.

Although property prices are high in and around Wimbledon Village, there are affordable options a little further away. Many staff choose to live in Central and South Wimbledon or Raynes Park, which is a 15 minute walk from King's. Other nearby options include Motspur Park, Worcester Park, Clapham, Tooting and Earlsfield but plenty of colleagues prefer to commute from Surrey, where Esher, Epsom and Ashstead are popular choices.
