APPLICATION PACK FOR THE POST OF
SECONDARY TEACHER of IGCSE MATHS
Rong Qiao Sedbergh School

Introduction

This exciting post arises as a result of a joint project between Sedbergh School International Limited and The Rong Qiao Group. Rong Qiao's vision is to raise the standard of education in Fuzhou and China, investing in building a leading K-12 international day and boarding school in Fuzhou. As one of the UK's strongest boarding schools, Sedbergh School is a natural choice for Rong Qiao and the distinctive values and culture of Sedbergh School will permeate the new school.

A Maths Teacher capable of teaching IGCSE (starting with Grade 10 on opening) for this new international school in China, Rong Qiao Sedbergh School, is required.

Pupils will also be starting in the Kindergarten, Grade 1 (Year 2) and Grade 7 (Year 8).

The location and the school

The school is located in Fuzhou, Fujian Province, and will open in September 2018.

President Xi served as the head of Fuzhou City and Fujian Province in the 1990s and his vision for the province still exerts significant influence on local development, including development of Binhai New City, the location of the new school.

The development of local industry in the vicinity of the new school is generally high tech – big data, Virtual Reality and Artificial Intelligence, both software and hardware development. The levels of income for families are above Fujian Province and compare favourably with other cities in China.

The school is located at Binhai New City of Changle, a district in Fuzhou city within 20 minutes ride from Changle city centre and 50 minutes ride from Fuzhou city centre, Fuzhou International Airport, and Fuzhou

Railway Station East connect to other cities across the nation and are within 15 minutes ride.

The prestigious and highly successful Education Division within Rong Qiao has a well-deserved reputation for quality education, demonstrated in their acclaimed five kindergartens in Fuzhou, offering dual language teaching in Mandarin and English.

The school's design is both generous in size and aspirational in design, on an area of 16 hectares. A unique feature is the Chinese Culture Center building.

The maximum capacity for the school size will be 2732 pupils, aged from three to eighteen, with a Kindergarten, Elementary, Middle School and High School. It is expected that during Phase 1 the school will open with 320 pupils in September 2018, among which about 40 pupils into Grade 10.

Pupils will take examinations in IGCSE and A-level in preparation for accessing the world's leading universities.

The selection committee and Founding Principal are seeking to appoint an outstanding candidate who is an effective, dynamic and inspirational teacher, passionate and knowledgeable about maths education particularly within a bilingual/ international context. She or he must be an excellent teacher, and capable of delivering first-class outcomes for pupils.

As well as being a strong teacher, he or she will need to possess the collegiate skills of a team-player, and be capable of assisting the Founding Principal and developing maths at IGCSE and in subsequent years, to A level, and the wider education of pupils. Cultural sensitivity and great communication skills are essential.
