

Glenmoor & Winton Academies

High Achievement – High Standards

Part of United Learning

Principal's Welcome

We are proud to be the two highest performing non-selective 11-16 schools in Bournemouth, Poole and Christchurch and incredibly privileged to be part of the multi Academy Chain United Learning.

Glenmoor & Winton Academies' motto is 'High Achievement, High Standards'. We believe that every child matters and every lesson counts' creating well rounded citizens achieving academic excellence. Glenmoor & Winton is a highly inclusive school that caters for the needs of all students. We ensure our most able students are stretched academically and students with special educational needs and disabilities are expertly supported allowing the Academies to ensure the best in everyone.

Glenmoor & Winton are unique schools due to the decision to co-locate the two Academies but remain separate schools through lessons being taught in a single sex environment. This has proved hugely successful with resources, staffing expertise and curriculum opportunities now being fully utilised for the benefit of all students at the Academies. Co-location has been seen by all stakeholders as offering the 'best of both' which I believe provides our students with the best possible chance of educational success.

2017 GCSE headline results are listed below for both Academies which reflect the outstanding progress the Academies have and continue to make.

"Teachers share the Principal's vision for the academy and are universally keen to develop and improve their practice. Learning is characterised by exceptionally good relationships between staff and students"

"Students behave exceptionally well around the site. The academy is a calm and safe environment for learning"

"Students are overwhelmingly positive about the academy. They take great care and pride in the presentation of their work"

As an organisation we are values based and expect everyone to work to our core values of integrity, compassion and courage. Students are able to access a huge number of extra-curricular opportunities across the Academies. I am hugely proud of our Sports Academies at Glenmoor & Winton in rugby (linked to Bath Rugby, football (linked to Southampton FC), netball (linked to Weston Park Blades), cycling (Bournemouth Arrows centre of excellence) and we are the south west regional base for handball. As well as sporting opportunities I am pleased to report our achievements in expressive arts, including our choir being named as regional choir of the year three years running. Students are also provided with a variety of high quality off site educational trips to places such as London, New York, France, Spain & Italy to name but a few. Extensive links are also well established with local businesses including JP Morgan and Barclays as well as local and Russell Group universities.

At Glenmoor and Winton we positively encourage and value the support and contribution of parents/carers. There are a number of ways in which you can become involved including attending a year group 'Parent Forum', or joining the parent association entitled SWAG (Society Winton & Glenmoor). Please have a look at our 'PTA SWAG' tab on the website for further details.

I hope you find the information on our website useful and please do not hesitate to contact the Academies if you wish to organise a tour and see for yourself the excellent work being done by the outstanding students who attend Glenmoor & Winton. If you would like to be kept up to date with developments at Glenmoor & Winton then I recommend following us on Twitter and accessing the fortnightly Academies' newsletter.

Very best wishes
