

Olive Academies

Dear Candidate,

Thank you for your interest in the post of Headteacher at Olive AP Academy - Havering. This is a significant appointment for Olive Academies and our trust is committed to providing you with the support needed to make a real success of the role.

Olive Academies is one of the first multi-academy trusts specialising in alternative provision in England. Its principal aim is to encourage students, many of whom live in deprived communities, to develop the confidence, skills and knowledge to believe that they can be successful in their own lives.

We believe that every child and young person has the ability and the right to learn and achieve. Alternative provision has far too often been regarded as the 'poor relation' within the educational context and we are determined to redress this through our pioneering work.

The current Olive AP Academy - Havering site in Hornchurch is being improved with a £2.5 million refurbishment programme which is due to be completed by the beginning of 2019.

If you are a leader who thrives on the challenges and opportunities that this role presents then I would very much welcome the opportunity to talk to you about your work and what Olive Academies can offer you. Please contact Adam Stanley on 07778 819105 or email adam.stanley@conexusgroup.co.uk to arrange a conversation with me before the 19th February application deadline.

Yours sincerely,

Mark Vickers
Chief Executive
