Bright Scholar Education Group

Formerly known as Country Garden Education Group

We believe that education is the greatest pursuit in the world.

Bright Scholar has spent the past 20 years creating a unique premium brand within the Chinese education industry. As a privately funded education company, it has the privilege of operating one of the oldest international schools in China. Bright Scholar has been leading the Chinese international education industry from all sectors and has set various examples and industrial benchmarks through its history.

As a leading multi-disciplinary education group in China, Bright Scholar's expansive core business operations cover regular kindergarten and school education, extracurricular training services, overseas study tours, domestic camps and education technology.

Bright Scholar has accumulated a cohort of highly trained and experienced domestic and international talents whose aim is to educate the future leaders of the world as well as the future backbone of Chinese society.

Bright Scholar, Bright Future.

生根萌芽 Sprouting

1994年，一所高品质寄宿制社区学校在第一个碧桂园楼盘里拔地而起，这是中国大陆第一所由中国人开办、招收中国学生、全面实施IB三个阶段课程的国际学校，开创了中国国际素质教育的先河。

In 1994, a high quality boarding community school was built in the first Country Garden community. It has the privilege of being one of the oldest international schools in China, which gave priority to the recruitment of Chinese students, and utilization of International Baccalaureate's (IB) programmes - PYP, MYP and DP within the IB international curriculum.
