Headteacher Application Details

Are you the person to lead our school to the next level?

We are looking for an inspirational leader to work in partnership with our wonderful pupils, enthusiastic PTFA, committed staff, and engaged Governing Body to realise the full potential of St Paul's Church of England Primary School.

Located in central [Cambridge](#) within walking distance of the station and a host of unique opportunities for enhancing teaching and learning, St Paul's is looking for a dynamic leader ready for the challenge of embedding excellence in teaching and learning throughout our school.

We are seeking a Head teacher who will build an inspiring curriculum that fulfils the potential of all our pupils and delivers on the school's emerging strategy for improvement.

We had an Ofsted inspection in June 2018 and are expecting the report any day. More information will be made available to applicants as soon it is available. Leadership has been unstable over time; but with input from external advisors and inspectors, a newly refreshed Governing Body is looking forward to working together with a new permanent Head to build on recent improvements, including substantial recent investment in the learning environment.

More details of our school can be found on the school [website](#) and [here](#). St Paul's is a [Church of England](#) School in the [Diocese of Ely](#) and one of four schools in the [Church Schools of Cambridge Trust](#).

I am delighted you are considering applying and welcome any informal enquiries at Chair@stpauls.cambs.sch.uk and if you wish to arrange to visit the school, visits are available by appointment on Thursday 13 and Friday 14 September. Please contact [me](#) to make arrangements.

The closing date for applications is 9am on Thursday 20 September 2018 and interviews are scheduled for Thursday 27 September 2018.

The vacancy is for a Head teacher to start in January 2019 or as soon as possible thereafter. St Paul's is a Group 2 school. The starting salary will be dependent on experience.

Please complete an application form and a covering letter describing how your skills and experience fit with our person specification and how you will use them to take our school to the next level.

Applications should be sent by post to:
