

Job Advert: Teaching Assistant Level 2 - Health, Wellbeing & Attendance Support Worker

We are seeking a Support Worker who can work across the Wellbeing and Inclusions Teams to support the day to day operation of our Healthcare Area. The Inclusion and Wellbeing Teams are at the heart of the school, providing pastoral and learning support across the whole age and ability range. This post provides day to day first aid support, as well as focusing on identified learning and wellbeing needs.

We are an over-subscribed comprehensive secondary school of around 1,700 students and 160 staff, including an exceptionally popular and successful Sixth Form of around 400 students and a Special Needs Resource Base that will grow to around 70 students. We are located in the centre of Monmouth, and we serve the local community as well as other nearby areas in both Wales and England. We have the benefit of a magnificent new school building that was completed 2 years ago under the 21st Century Schools programme. It is a wonderful modern facility that has education at its heart.

The school has 8 main feeder primary schools, and over 30 other primary schools. We are absolutely determined to provide an exceptional standard of education for every child that comes to our school, so that they have the opportunity to lead happy and successful lives. In order for that to happen, our students need to do two simple things - work hard and be kind. We are a welcoming and caring school that also has exceedingly high expectations of every single one of our students. We take great pride in enabling them to grow and to flourish.

The school is fully comprehensive and provides for a wide range of learning needs. Currently 14% of the school population is on the Register for Additional Learning Needs. The range of need is from specific through to moderate as well severe learning difficulties.

Students come from a wide range of socio-economic backgrounds and currently 8.6 % of the school population are being supported by the government's Pupil Deprivation Grant. The rolling average for FSM is 8.6%, which has remained steady over the last few years. The school has very few students who have English as an additional language.

We welcome applications from candidates whose personal qualities and values reflect those in the person specification, and whose experiences also place them in a strong position to deliver the challenges set out in the job description. Thank you for your interest.
