OTHER CONDITIONS

Compliance with visa requirements for working in China

At Nord Anglia Education we are committed to providing a world class, safe, happy environment in which children and young people are able to thrive and learn. We are committed to safeguarding and promoting the welfare of all our pupils irrespective of race, ability, religion, gender or culture.

All post holders in regulated activity (having regular unsupervised contact with children) are subject to appropriate national and international vetting procedures including satisfactory criminal record checks from both Country of residence/birth and any Country of residence within the last 10 years.

Dear Applicant,

I would like to tell you a little about our organisation and family of schools.

Nord Anglia Education's 56 international day and boarding schools are located in 27 countries across the Americas, Asia, the Middle East and Europe. Our organisation has been operating premium international schools for over 20 years. Within the last three years we have been particularly successful and have doubled our size and seen significant growth both within our existing schools and through the acquisition of new schools. We are a fast growing, successful education company. Our schools are mostly British International Schools and follow the English National Curriculum plus the International Baccalaureate Diploma at 16-18, plus, in some locations, A-levels, the French Baccalaureate and the Swiss Maturité.

We educate students from early years through to eighteen in through-schools. Our students come from a wide mix of backgrounds and cultures and a typical school may have up to 60 different nationalities represented. Many of our parents are ex-pats working away from their home country but we also educate local students.

Currently educating more than 51,000 students, our schools are seen as the premier school in the cities in which we operate and are a very popular choice for parents. Each Nord Anglia Education school is unique in character and tailored to meet the needs of their specific location, but they are united by the quality of education they offer, the efficiency with which they are managed and the excellence of the student experience. We position our schools as at the forefront of contemporary educational practice while preserving traditional educational values.

Outstanding teaching professionals and our distinctive educational model create exciting high performing learning environments; a Nord Anglia Education student will benefit not only from the richness and expertise within their own School environment but also from other Schools across the Nord Anglia Education family. We know that the right person can uncover new interests, and give students the confidence to chase a bright future. Our teachers come from all around the world, but they all share a belief that an inspired student can achieve amazing things.

Nord Anglia also offers a professional development programme called Nord Anglia University, which offers access to some of the finest minds and most innovative approaches in the industry. We offer the chance for experienced, passionate teachers to advance their knowledge in an exciting new environment. Nord Anglia Education also has an Education Advisory Board led by Lord David Puttnam that evaluates and supports the further rigorous provision of world-leading professional development for leaders at all levels.

The academic achievement at our school is improving year on year across every Key Stage. We are non-selective yet, in June 2018, 60% of our Year 11 students achieved 5+ A*/A grades. Our Year 13 IB Diploma students achieved an average of 36 points, with over a third exceeding 40 points, which is 10 points higher than the global average. Indeed, each year we have students reaching the maximum score of 45 points. On average, our students score six points above the global average in their IB diploma, as well as being offered and accepting places at the world's top 30 Universities. These outstanding results come from outstanding teaching and learning at all ages from 2 to 18. However we are not complacent and strive for continual improvement through a collegiate and supportive environment, recognising staff and student as learners alike.

Thank you for your interest in our school. I look forward to hearing from you.

Dr Neil Hopkin
Principal
